

SUCCESSES of 2020

The Colorado Automobile Theft Prevention Authority (CATPA) provides grant funding for enforcement, education, prevention, and prosecution projects to assist in the reduction of statewide vehicle thefts. As studies have demonstrated a majority of vehicle theft offenders are involved in other crimes, posing a direct threat to life and property, the CATPA programs have a central interest in the protection of life. CATPA programs are also intended to engage partnerships with state, county, and local law enforcement agencies in addressing vehicle thefts occurring with patterns, trends, and hot-spots.

Protect Life and Represent the Communities We Serve

Consistent with C.R.S. 10-5-112, CATPA successfully worked with Colorado insurance companies licensed to insure motor vehicles in collecting 100% of assessed fees accounting for \$4.5 million towards grant funding. Consistent with C.R.S. 43-5-112, CATPA successfully administered \$5.7 million of grant awards to assist in statewide vehicle theft prevention, education, training, enforcement, and prosecution.

- CATPA successfully funded grant projects, which accounted for a 32% increase in vehicle theft prevention activities as compared to 2019. These funded activities would likely not have been performed without specialized funding from CATPA.
 - 1,283 vehicle theft-related crime analytical products.
 - 330 collaborative multi-agency training sessions with 802 attendees.
 - 251 multi-agency coordination efforts and 219 multi-agency meetings.
 - 2,522 motor vehicle theft case investigations, where 35% (895) were major case investigations.
 - 643 auto theft and related crime arrests where 72% (463) were felony arrests.
 - Funded 85 automatic license plate readers resulting in a \$3.31 investment value return based on the average dollar loss of recovered stolen vehicles.
 - Recovered 570 reported stolen vehicles with an average dollar loss of \$5 million, and
 - Funded 81 BAIT car operations.

Looking Ahead

CATPA will continue to monitor and evaluate the effectiveness of the funded vehicle theft grant projects to ensure investment value.

In light of maximizing the CATPA funding resources, including its spending authority, coupled with a 38% increase in vehicle theft in 2020 as compared to 2019, CATPA will create and deploy a public outreach program utilizing existing resources. This new initiative intends to work in a collaborative effort in providing consistent and ongoing public education and awareness leveraging partnerships with the CSP Strategic Communications and Outreach and all existing CATPA funded projects.
