Hijacked! Clarence Washington Sr., 2021-06-24 In this four volume series *Hijacked* How Dr King s Dream Became a Nightmare author Clarence Washington Sr dissects Dr Martin Luther King s dream and explores how our failure to adhere to its principles has allowed the dream to be hijacked and turned to a nightmare and it s time to wake up In the third volume of the *Hijacked* collection *The Nightmare* the author details the devastating destruction of the lives of an enormous number of poor disadvantaged and middleclass people This represents the destruction of the American way of life as a direct result of the hijack of Dr King s dream a dream that is so inseparably connected to the American dream Today America could be depicted as a waning great person who is standing on the edge of a tall building at the top of the world looking around in deep contemplation not knowing exactly what to do next If the winds of change blow too hard this wavering person could lose their focus fall and plunge to their death never again to regain their greatness To step back from the edge we must all do our part to make King s dream a reality instead of watching it morph
