Violin Notes For Misty Mountain:

The Sweetest Scent Susan Laine, 2013-09-23 A Senses and Sensations Story Football player Bro Sumner and genderqueer Lacey Adair are an exclusive item Though their high school years have been mostly happy they continually face dangerous opposition including a bully on Bro's team and Lacey's violent alcoholic father because Lacey won't live the traditional gender role she was born to She chooses to wear dresses and makeup and appear female underneath the wrappings she's content with physically being a male in a gay relationship with Bro and she doesn't want that to change Their differing plans for the future after graduation however may create changes they can't weather A compromise with the help of relatives and friends means Bro and Lacey can go to school only an hour apart but they still miss each other It's not long before they make new friendships and discover new romantic possibilities Temptations jealousies distance and expanding horizons could sever their relationship forever unless they can keep their dream of a life together alive in their hearts

Colors of the Mountain Da Chen, 2003-05-20 I was born in southern China in 1962 in the tiny town of Yellow Stone They called it the Year of Great Starvation In 1962 as millions of Chinese citizens were gripped by Mao Zedong's Cultural Revolution and the Red Guards enforced a brutal regime of communism a boy was born to a poor family in southern China This family the Chens had once been respected landlords in the village of Yellow Stone but now they were among the least fortunate families in the country despised for their capitalist past Grandpa Chen couldn't leave the house for fear of being beaten to death the children were spit upon in the street and their father was regularly hauled off to labor camps leaving the family of eight without a breadwinner Da Chen the youngest child seemed destined for a life of poverty shame and hunger But winning humor and an indomitable spirit can be found in the most unexpected places Colors of the Mountain is a story of triumph a memoir of a boyhood full of spunk mischief and love The young Da Chen is part Horatio Alger part Holden Caulfield he befriends a gang of young hoodlums as well as the elegant elderly Chinese Baptist woman who teaches him English and opens the door to a new life Chen's remarkable story is full of unforgettable scenes of rural Chinese life feasting on oysters and fried peanuts on New Year's Day studying alongside classmates who wear red armbands and quote Mao and playing and working in the peaceful rice fields near his village Da Chen's story is both captivating and endearing filled with the universal human quality that distinguishes the very best memoirs It proves once again that the concerns of childhood transcend time and place

Mountain Path Harriette Simpson Arnow, 2012-07-01 Masterfully wrought and keenly observed Mountain Path draws on Harriette Simpson Arnow's experiences as a schoolteacher in downtrodden Pulaski County Kentucky deep in the heart of Appalachia prior to WWII Far from a quaint portrait of rural life Arnow's novel documents hardships poverty illiteracy and struggles She also recognizes a fragile cultural richness one characterized by those who like open fires hounds children human talk and song instead of TV and radio the wisdom of the old who had seen all of life from birth to death and which has since been eroded by the advent of highways and industry In Mountain Path
