bell hooks' Spiritual Vision Nadra Nittle, 2023-11-07 When Black feminist and scholar bell hooks died in 2021 she was widely remembered for writing more than three dozen books across genres including memoir, poetry, theory and criticism. However, it was her book *Ain't I a Woman* in which hooks examines how Black American women have historically faced gender, class and racial oppression that catapulted her to prominence as a leading feminist thinker. Nadra Nittle makes it clear that hooks identified not only as a feminist but also as a Buddhist Christian. In *bell hooks' Spiritual Vision*, Nittle recounts how hooks kept her spiritual practice private for years, fearing there was no room to discuss her faith in the feminist movement or in the academy. Ultimately, hooks decided to talk and write about her faith to give hope to students curious about her source of strength in a society she deemed an imperialist, white supremacist, capitalist patriarchy. Nittle traces the influences of the Rev. Martin Luther King Jr. and Buddhist monk Thich Nhat Hanh as hooks developed a spiritual practice centered on love as a force for social change. Although hooks opened up about her spiritual philosophy in the last decades of her life, Nittle argues that hooks's contributions to religious discourse are largely unheralded. *bell hooks' Spiritual Vision* reflects her identity as a feminist and a believer who knit together her political and spiritual practices. This book offers readers a window into spirituality's role in hooks' writing on her life, love, feminism and society. It speaks both to hooks's longtime followers and to newcomers to her writing. Regardless of their starting points, readers will get to know bell hooks for all she was: Buddhist, Christian and feminist.

Fleckenstein,2009-11-16 In this innovative volume Kristie S Fleckenstein explores how the intersection of vision rhetoric and writing pedagogy in the classroom can help students become compassionate citizens who participate in the world as they become more critically aware of the world Fleckenstein argues that all social action behavior designed to increase human dignity value and quality of life depends on a person's repertoire of visual and rhetorical habits To develop this repertoire in students the author advocates the incorporation of visual habits or ways of seeing into a language based pedagogical approach in the writing classroom According to Fleckenstein interweaving the visual and rhetorical in composition pedagogy enables students to more readily perceive the need for change while arming them with the abilities and desire to enact it The

author addresses social action from the perspective of three visual habits spectacle which fosters disengagement animation or fusing body with meaning and antinomy which invites the invention of new realities Fleckenstein then examines the ways in which particular visual habits interact with rhetorical habits and with classroom methods resulting in the emergence of various forms of social action To enhance the understanding of the concepts she discusses the author represents the intertwining relationships of vision rhetoric and writing pedagogy graphically as what she calls symbiotic knots In tracing the modes of social action privileged by a visual habit and a teacher's pedagogical choices Fleckenstein attends particularly to the experiences of students who have been traditionally barred from participation in the public sphere because of gender race or class The book culminates in a call for visually and rhetorically robust writing pedagogies In *Vision Rhetoric and Social Action in the Composition Classroom* Fleckenstein combines classic methods of rhetorical teaching with fresh perspectives to provide a unique guide for initiating important improvements in teaching social action The result is a remarkable volume that empowers teachers to best inspire students to take part in their world at that most crucial moment when they are discovering it
