Recipes and Memories from Mama's Table Linda K. Farris, 2012-12 Linda Farris her

husband Garlin and their son Jeff moved to the beautiful little city of Fairhope Alabama after Garlin's retirement in 2010. There she has found time to pursue her hobbies of painting, photography and writing. These things were part of Linda's list of things to do some day when there was enough time. Raising two daughters and taking care of a son with special needs while living in five different states have made life interesting. Add two sons in law, six wonderful grandchildren, a new grandson in law and her first great grandchild due in March and life is good. The Hendrix family reunion is an important part of Linda's life. Because of it, this cookbook was started. The original descendants of Law, Donald and Lennie Mae Hendrix, five boys and five girls, decided at their mother's funeral to keep the family connected by having a reunion every summer. The year was 1969. Since then, attendance has grown to over 100 and the family has had some wonderful times together and grown closer over the years. Friends and family from all over the South have shared stories and recipes from their Mama's tables and Linda has added stories and memories of her Mama and Papa Hendrix and her Granny and Grandad Tucker. If you enjoy this collection of nostalgia and good food and would like to honor someone special with a story or a recipe, contact Linda at farris linda mac com. Perhaps we can make another visit to Mama's Table.

Six Eves Prevail Through the Garden of Nutrition Annie B. Carr, Vernell E. Stewart, Britton, Laurita M. Burley, Frances Hanks Cook, Catherine Cowell, Wilma Ardine L. Kirchhofer, 2017-06-05. In the unique work *Six Eves Prevail through the Garden of Nutrition*, six African American nutrition professionals share their individual stories about becoming nutritionists and dietitians during the 60s and 70s. These professions have typically seen low numbers of African Americans. The women whose stories make up this book formed close personal and professional associations that have lasted over decades. The book documents the mentoring, professional guidance and wisdom they each received from trailblazers in their respective professions. The importance of nutrition to the overall health of the population

has been well documented Though their career paths were different each of these professional women made tremendous contributions to the health wellbeing and safety of their many patients clients students and family members Because of their backgrounds they were able to bring a level of sensitivity to health care that was unsurpassed Narrated through first person accounts the book is filled with humorous and heart warming anecdotes personal and local history recipes and photographs Journey with these special women along their remarkable paths that demonstrate the power of perseverance the importance of family and community and lifting others as we are lifted
