unbiased policing to all the country's people More than two decades since the initiation of the reforms it appears that the SAPS has rapidly developed a reputation as a police agency beset by challenges to its integrity This book offers a unique perspective by providing in depth analyses of police integrity in South Africa It is a case study that systematically and empirically explores the contours of police integrity in a young democracy Using the organizational theory of police integrity the book analyzes the complex set of historical legal political social and economic circumstances shaping police integrity A discussion of the theoretical framework is accompanied by the results of a nationwide survey of nearly 900 SAPS officers probing their familiarity with official rules their expectations of discipline within the SAPS and their willingness to report misconduct The book also examines the influence of the respondents race gender and supervisory status on police integrity Written in a clear and direct style this book will appeal to students and scholars of criminology policing sociology political science as well as to police administrators interested in expanding their knowledge about police integrity and enhancing it in their organizations

Hitmen for Hire Mark Shaw, 2017-07-10 *Hitmen for Hire* takes the reader on a journey like no other navigating a world of paid hitmen informers rogue policemen criminal taxi bosses gang leaders and crooked politicians and businessmen Criminologist Mark Shaw examines a society in which contract killings have become commonplace looking at who arranges hits where to find a hitman and even what it is like to operate as a hitman or woman Since 1994 South Africa has seen a worrying increase in the commercialisation of murder and has been rocked by several high profile contract killings Drawing on his research of over a thousand incidents of hired assassinations from 2000 to 2016 Shaw reveals how these murders are used to exert a mafia type control over the country's legal and illegal economic activity Contracted assassinations and the organised criminal activity behind them contain sinister linkages with the underworld most visibly in relation to disputes over tenders and access to government resources State security actors increasingly mediate relations between the under and upper worlds with serious implications for the long term success of the post apartheid democratic project

Why We Kill Karl Kemp, 2024-03-02 Why do so many South Africans prefer taking the law into their own hands to relying on the police Why are those who do so often cheered or sympathised with Of the unprecedented 27 000 recorded murders in South Africa in 2022 at least 1 894 or 7 per cent were attributed to mob justice and vigilantism more than double the number from five years before In the first nine months of 2023 a further 1 472 mob justice deaths had already been registered Mob justice is nothing new but in recent years it has taken on an undeniably desperate furious edge From the breathtakingly violent Zandspruit massacre in May 2021 to the killings during the July unrest two months later to the march of Operation Dudula across the nation in 2022 vigilantism and the condoning of it has never before captured the zeitgeist of South Africa so sharply What has changed in the past few years and what does it augur for the future Following three recent cases of mob justice from the hellish metropolitan townships of Gauteng to the far flung bushveld of northern Limpopo and drawing on extensive research and interviews *Why We Kill* explores the roots realities and consequences of South Africa's

current crisis of vigilantism
