General Directions:

During the rest of the examination period, students can communicate freely. Now up to each student: dole out student materials, distribute student directions, and so forth as appropriate. Distribute materials all at the testing center/room at the same time(s).

After each student has filled in the heading of the answer booklet, begin the examination by following the directions for Part I as given below.

Directions for Part I:

Remove students to open their test booklets and read the directions for Part I. (Note: students do not read and understand the directions before phoning you to bring the FLACS audio, depending on the following.)

There are four questions in Part I. Each question is based on a short passage, which will be read aloud to you from a tape carefully. Before each passage, and with some four-second anticipation in English ears. Then you will hear the passage in Spanish twice. After you have heard the passage for the first time, you will hear the question in English ears. The question is also printed in your test booklet. After you have heard the question, you will hear the question clearly several times, hearing the short question. During that time, read the question and the four suggested answers in your test booklet. Choose the best suggested answer on the basis of the information provided in the passage and write in Spanish in the space provided in your answer booklet.
