One of God's Chosen Vessels Bill Mehr,2019-06-23 One of God's Chosen Vessels chronicles the last ten months of the life of Bill Mehr From the diagnosis of lung cancer to the end of his extraordinary life this book reflects Bill's thoughts and emotions as he undergoes treatments gains strength through the love and support from family and friends and faces his own mortality

Star Trek: Mere Anarchy Margaret Wander Bonanno,Christopher L. Bennett,2009-03-17 Mestiko a world on the brink of interstellar travel and one that is closely and discreetly monitored by the Federation But when a rogue pulsar sweeps through the star system threatening to destroy all life on their planet Starfleet must mount a desperate effort to protect the planet from annihilation Under the command of James T Kirk the Starship Enterprise is able to mitigate some of the damage but the world's surface is still devastated with appalling loss of life Over the next three decades the Enterprise and its crew revisit Mestiko whether to keep them from falling prey to the machinations of the Klingon Empire or to deliver a new method of replenishing the planet's ozone through trials and tribulations hardship and strife love and death Originally published as six eBooks Mere Anarchy is the saga of one crew's career long relationship to one world and the ties that bound them inextricably together

Star Trek: Titan #5: Over a Torrent Sea Christopher L. Bennett,2009-02-24 As the Federation recovers from the devastating events of Star Trek Destiny Captain William Riker and the crew of the U S S Titan are ordered to resume their deep space assignment reaffirming Starfleet's core principles of peaceful exploration But even far from home on a mission of hope the scars of the recent cataclysm remain with them as they slowly rebuild their lives The planet Droplet is a world made mostly of water without a speck of solid ground Life should not exist here yet it thrives Aili Lavena Titan's aquatic navigator spearheads the exploration of this mysterious world facing the dangers of the vast wild ocean When one native species proves to be sentient Lavena finds herself immersed in a delicate contact situation and Riker is called away from Deanna Troi at a critical moment in their marriage But when good intentions bring calamity Lavena and Riker are cut off from the crew and feared lost Troi must face a life changing event without her husband while the crew must brave the crushing pressures of the deep to undo the global chaos they have triggered Stranded with her injured captain Lavena must win the trust of the beings who control their fate but the price for Riker's survival may be the loss of everything he holds dear

Losing the Peace William Leisner,2009-06-30 Continuing the events detailed in Star Trek Destiny With the displacement and devastation wrought by the Borg can the Federation survive Fortune has smiled on Lieutenant Jasminder Choudhury chief of security on the USS Enterprise She has survived But her homeworld Deneva one of the planets targeted in the massive Borg invasion has not The entire surface has been wiped clean of everything killing anyone who did not evacuate and rendering the planet uninhabitable Choudhury is left to wonder whether her family was one of the displaced Or are they all gone forever The Enterprise is just one ship and Jasminder Choudhury is just one officer yet her story is being repeated over and over across

the galaxy Hundreds of thousands of displaced persons haunt the space ways seeking comfort looking for someplace safe somewhere anywhere to find solace Captain Jean Luc Picard is ordered to do everything he can to rescue and if need be to recover the lost souls from the Borg invasion For the first time in generations citizens of the Federation know want uncertainty and fear Bloodied yet unbowed the Federation now stands on the edge of a precipice The captain of the Enterprise finds himself in the unenviable position of wondering whether it is true that those who can win a war well can rarely make a good peace

Strange Novel Worlds Caroline-Isabelle Caron,Kristin Noone,2024-06-18 Since the publication of the first James Blish novelizations of Star Trek episodes in 1967 close to 900 tie in novels anthologies and omnibus editions have been published Star Trek tie in novels have had a significant influence on Western popular culture The works of beloved science fiction authors have shaped the way fans understand Star Trek and its universe and many stand as near equal builders of the Star Trek franchise next to Gene Roddenberry his producers and the many creators of the later series With such a vast and varied body of work tie in books form a rich and deep cultural phenomenon the history and content of which are worthy of concerted study Despite the enduring popularity of the franchise they are based on no previous essay collection has ever focused on the numerous and widely diverse books of Star Trek tie in novels This collection does just that by examining the tie in works as relevant literature The essays primarily focus on tie in books published from 1990 to 2022 and each author discusses the plot and context of separate novels while simultaneously exploring major themes such as canon vs fanfiction and merits of the genre The collection ends with an exploration of the continuity of this period of Star Trek as it stands following a narrative conclusion announced in 2021

The Literary Galaxy of Star Trek James F. Broderick,2006-04-18 How is the android Data like Shakespeare s character Hamlet Is the vengeful Khan original series episode Space Seed and the film Star Trek II The Wrath of Khan an echo of Captain Ahab in Moby Dick The links between Star Trek and literature are vast themes and characters that reflect those in classic literature characters that quote literature in their dialog and an enormous body of nonfiction books novels articles that have grown from the saga Finally like literature Star Trek seeks to help in the human endeavor of understanding the world and its place in the universe This book explores all of those connections The Next Generation s Captain Picard frequently quotes Shakespeare Captain Janeway from Voyager reenacts literature in holodeck novels Jake Sisko son of Deep Space Nine s Commander Benjamin Sisko becomes an award winning writer Beginning with Captain James T Kirk s first appearance in the original series then continuing through four subsequent series and ten movies this book draws parallels between Star Trek stories and literary classics such as Hamlet Paradise Lost Ulysses Dracula and the New Testament and works by the likes of Booker T Washington Edgar Allan Poe and William Shakespeare Appendices list the literary works discussed and the episodes and movies mentioned each giving the chapters where references can be found

Star Trek: Mirror Universe: Shards and Shadows Marco Palmieri,Margaret Clark,2009-01-06 Fractured history Broken lives Splintered souls Since the alternate universe was first glimpsed in the

classic episode Mirror Mirror something about Star Trek's dark side has beckoned us called to us tempted us like forbidden fruit on the Tree of Knowledge To taste it is to lose oneself in a world of startling familiarity and terrifying contradictions where everything and everyone we knew is somehow disturbingly different and where shocking secrets await their revelation What began in 2007 with Glass Empires and Obsidian Alliances the first truly in depth foray into the turbulent history of this other continuum now continues in twelve new short tales that revisit and expand upon that so called Mirror Universe spanning all five of the core incarnations of Star Trek as well as their literary offshoots across more than two hundred years of divergent history as chronicled by Christopher L Bennett Margaret Wander Bonanno Peter David Keith R A DeCandido Michael Jan Friedman Jim Johnson Rudy Josephs David Mack Dave Stern James Swallow Dayton Ward Kevin Dilmore Susan Wright Star Trek: The Original Series: The Continuing Missions, Volume I Greg Cox, Dayton Ward, Christopher L.

Bennett, 2013-01-29 Three original novels set in the universe of Star Trek The Original Series This ebook bundle includes The Rings of Time That Which Divides Department of Temporal Investigations Forgotten History **Star Trek: Coda: Book 3: Oblivion's Gate** David Mack, 2021-11-30 Sequel to The ashes of tomorrow by James Swallow The Politics of Star Trek George A. Gonzalez, 2015-12-27 The Star Trek franchise reflects conveys and comments upon the key philosophical tensions of the modern era This book details the manner in which these tensions and controversies are manifested in Star Trek across its iterations arguing that Star Trek offers an indispensable contribution to our understanding of politics in the modern era

Typhon Pact: The Struggle Within Christopher L. Bennett, 2011-10-04 An original eBook novella set in the acclaimed Typhon Pact series An original e novella in the acclaimed Typhon Pact series The Enterprise E is on a diplomatic mission to the Talarian Republic the last holdout in the Federation's efforts to expand the Khitomer Accords in response to the emergence of the Typhon Pact In the wake of Andor's recent secession the Federation is more concerned than ever with strengthening its alliances The Talarians have been a tenuous potential partner at best given the history of conflict and mistrust between them and the Federation But the negotiations between Picard and the Talarians are disrupted by a growing public protest of those who are demanding greater rights and before long it becomes clear that the dissidents are not limiting themselves to nonviolent means *Star Trek: DTI: Forgotten History* Christopher L. Bennett, 2012-04-24 While Starfleet explorers get to live the adventure of travelling to other times and realities it's up to the dedicated agents of the Federation Department of Temporal Investigations to deal with the consequences to the timestream the rest of us have to live in day by day But in a universe where history as we know it could be wiped out at any moment by time warriors from the future only the most disciplined obsessive and unimaginative government employees have what it takes to face the existential uncertainty of it all on a daily basis and still stay sane enough to do their jobs That's where Agents Lucsly and Dulmur come in Together with their colleagues in the DTI and with the help and sometimes hindrance of Starfleet's finest they do what they can to keep the timestream or at least the paperwork as neat and orderly as they are But when a series of escalating

temporal incursions threatens to open a new front of the history spanning Temporal Cold War in the twenty fourth century Lucsly and Dulmur will need all their investigative skill and unbending determination to keep the present and the future from falling into the kind of chaos they really really hate Star Trek: Myriad Universes #1: Infinity's Prism Christopher L. Bennett, William Leisner, James Swallow, 2008-07-22 A collection of alternate reality tales from the Star Trek universe In A Less Perfect Union more than a hundred years after the Terra Prime movement achieved its dream of an isolationist Earth humanity is once again at a fork in the river of history and the path it follows may ultimately be determined by the voice of a single individual the sole surviving crewmember of the first U S S Enterprise Then follows Places of Exile Midway through Voyager s journey across the galaxy Captain Kathryn Janeway and Commander Chakotay must choose whether to brave a deadly war zone or abandon their quest for home But an attack by Species 8472 cripples the ship and the stranded crew must make new choices that will reshape their destinies and that of the Delta Quadrant itself Finally Khan is victorious in Seeds of Dissent Almost four centuries after conquering their world genetically enhanced humans dominate a ruthless interstellar empire But the warship Defiance under its augmented commander Julian Bashir makes a discovery that could shake the pillars of his proud civilization an ancient sleeper ship from Earth named the Botany Bay **Department of Temporal Investigations: Watching the Clock** Christopher L. Bennett, 2011-04-26 There s likely no more of a thankless job in the Federation than temporal investigation While starship explorers get to live the human adventure of traveling to other times and realities it s up to the dedicated agents of the Federation Department of Temporal Investigations to deal with the consequences to the timestream that the rest of the Galaxy has to live with day by day But when history as we know it could be wiped out at any moment by time warriors from the future misused relics of ancient races or accident prone starships only the most disciplined obsessive and unimaginative government employees have what it takes to face the existential uncertainty of it all on a daily basis and still stay sane enough to complete their assignments That s where Agents Lucsly and Dulmur come in stalwart and unflappable these men are the Federation s unsung anchors in a chaotic universe Together with their colleagues in the DTI and with the help and sometimes hindrance of Starfleet s finest they do what they can to keep the timestream or at least the paperwork as neat and orderly as they are But when a series of escalating temporal incursions threatens to open a new front of the history spanning Temporal Cold War in the twenty fourth century Agents Lucsly and Dulmur will need all their investigative skill and unbending determination to stop those who wish to rewrite the past for their own advantage and to keep the present and the future from devolving into the kind of chaos they really really hate **The Influence of Star Trek on Television, Film and Culture** Lincoln Geraghty, 2014-07-15 When the first season of Star Trek opened to American television viewers in 1966 the thematically insightful sci fi story line presented audiences with the exciting vision of a bold voyage into the final frontiers of space and strange new galactic worlds Perpetuating this enchanting vision the story has become one of the longest running and most multifaceted franchises in

television history Moreover it has presented an inspiring message for the future addressing everything from social political philosophical and ethical issues to progressive and humanist representations of race gender and class This book contends that Star Trek is not just a set of television series but has become a pervasive part of the identity of the millions of people who watch read and consume the films television episodes network specials novelizations and fan stories Examining Star Trek from various critical angles the essays in this collection provide vital new insights into the myriad ways that the franchise has affected the culture it represents the people who watch the series and the industry that created it

Star Trek and the Tragic Hybrid Carolyn Burlingame-Goff, 2024-06-06 Spock Data Worf B Elanna Torres Seven of Nine Odo Michael Burnham Soji Many of Star Trek's most beloved characters are children of two worlds the products of competing biologies materials and cultures Their popularity is unsurprising authors mine conflicted identities for dramatic effect and viewers see their own struggles reflected in the challenges of individuals who never seem to quite fit in This book demonstrates that the tradition is not new Spock and his fellow hybrids have their roots in anti slavery literature Abolitionist authors introduced protagonists who were both Black and White yet not fully accepted as either Divided at their core the attempts of these noble yet tortured individuals to bridge their two races inevitably ended in tragedy Gene Roddenberry and his successors thrust the character type into the future using it to explore the evolving racial attitudes of their times Star Trek's tragic hybrids have asked audiences to see beyond color to embrace multiculturalism to accept mixed race identity and finally to acknowledge the consequences of systemic oppression

Late Star Trek Adam Kotsko, 2025-03-25 How Star Trek's twenty first century reinventions illuminate the unique challenges and opportunities of franchise style corporate storytelling Late Star Trek explores the beloved science fiction franchise's repeated attempts to reinvent itself after the end of its 1990s golden age Beginning with the prequel series Enterprise Adam Kotsko analyzes the wealth of content set within Star Trek's sprawling continuity including authorized books the three Kelvin Timeline films and the streaming series Discovery Picard Lower Decks Prodigy and Strange New Worlds along with fan discourse to reflect on the perils and promise of the franchise as a unique form of storytelling Significantly including the licensed novels and comic books that fill out the Star Trek universe for its fans Kotsko brings the multiple productions of the early twenty first century together as a unified whole rather than analyzing them in their current stratified view He argues that the variety of styles and approaches in this tumultuous era of Star Trek history provides the perfect opportunity to reflect on the nature of the franchise storyworlds that now dominate popular culture By taking the spin offs and tie ins seriously as creative attempts to tell a new story within an established universe Late Star Trek highlights creative triumphs as well as the tendency for franchise faithfulness to get in the way of creating engaging characters and ideas Arguing forcefully against the prevailing consensus that franchises are a sign of cultural decay Kotsko contends that the Star Trek universe exemplifies an approach to storytelling that has been perennial across cultures Instead he finds that what limits creativity within franchises is not their reliance on the familiar but

their status as modern myths held not as common cultural heritage but rather owned as corporate intellectual property Retail e book files for this title are screen reader friendly with images accompanied by short alt text and or extended descriptions

The Enigmatic Realm of **Star Trek The Next Generation Greater Than The Sum**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **Star Trek The Next Generation Greater Than The Sum** a literary masterpiece penned by way of a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of those who partake in its reading experience.
