The Absolutely Essential Guide To Agnosticism Aaron Caldwell, 2015-05-07 No matter how many falsehoods the theist has spread about agnosticism it has survived quite well over the decades and is a theology to be reckoned with An international poll of most western countries taken in the early 90 s asked people their religion 17% wrote agnostic How many millions of acknowledged agnostics are there in the US alone No one knows for sure In addition how many more Americans lean towards agnosticism and don t realize it Millions more probably This book has been written to give a better understanding of both the agnostic and contemporary agnostic theologies The theistic religion most discussed is Christianity This is not because Christianity is better than other religions but because 1 agnosticism was developed in response to orthodox Christianity 2 the theology of agnosticism is most prevalent in Christian dominated cultures and 3 because Jesus was not only a great teacher but the religious visionary western civilization is most familiar with Reference information on Christianity will be provided to help us better understand how and why contemporary agnosticism and its grandfather agnosticism developed We ll gain a better understanding of contemporary agnostic principles by discussing this theology s position on key religious doctrines such as the fear of God the apocalypse life after death and prayer To aid in this process the reader is encouraged to take advantage of the glossary and several appendixes in the back This publication will use the power of knowledge and history to explore theology Facts generally are presented from the standpoint of science and history rather than from the standpoint of faith This book won t spend a great deal of time with drawn out essays Instead one point will be clarified concisely so the reader can move on to another In this publication the Jesus of faith which for so many centuries was unquestioned will give way to the more likely Jesus of history We ll utilize a perspective of Jesus that has been intensely scrutinized by scientific and historically oriented research methods In doing so we hope to provide a better understanding of what this wondrous sage and visionary had to offer mankind This more scrutinized perspective of the life and teachings of Jesus began emerging in 1906 when Nobel Prize winner Albert Schweitzer also known as a great doctor and humanitarian wrote *Quest Of The Historical Jesus* Research on the subject of a historically more accurate Jesus has dramatically increased in the last 30 years As well as being called the Jesus of history this perspective is also referred to as the historically more

accurate Jesus and the historical Jesus More than 100 biblical scholars researchers and professor participated in this scientific research Almost all of these scholars have P h Ds or the theological equivalent What they found was a better understanding of the founding prophet of Christianity and what this man of great wisdom said Sword Fighting in the Star Wars Universe Nick Jamilla,2014-01-10 Unlike most makers of modern or futuristic films George Lucas turned away from the standard special operatives or secret agents when he created the heroes for his epic Star Wars saga Part knight part monk the Jedi Knights were an order of swordsmen that helped rule the universe in accordance with law and lofty principles of justice and honor Without the Jedi there could be no Star Wars and without the lightsaber sword there could be no Jedi This examination of the Jedi Knights their adversaries the Sith and their lightsaber swordplay throughout all six episodes of the franchise evaluates the ways in which Lucas blended science fiction with the most ancient and epic tales of traditional samurai and Western swordsmen It presents swordsmanship as a way to better understand the Jedi Knights focusing on the human movement and activity surrounding the weapon and the ways in which traditional Japanese martial arts were adapted for use in the films Topics of discussion include the powerful effects of the master apprentice relationship the technical choreography used in the lightsaber scenes of the Star Wars films and the historical precedents for the Jedi order including the Sohei fighting monks of Japan the Janissaries and Mamelukes of Islam and the knights of the Templar Hospitaller and Teutonic orders *The Galaxy's Greatest Star Wars Collectibles Price Guide* Stuart W. Wells, III,Stuart W. Wells,1998 Thousands of items in 40 categories of collectibles produced since 1977 their history and their values are listed in this complete illustrated guide to the Lucas empire 500 color photos **The Science of The Mandalorian** Mark Brake,2023-11-07 Take a trip beyond this Earth to explore the myths of The Mandalorian and uncover the anatomy of the newest space western in the Star Wars Universe Star Wars dominates the film world The combined box office revenue of the Star Wars movies equates to over 10 billion making it the second highest grossing film franchise of all time But this franchise is no blaster from the past Its fantastically successful films have now been followed by multiple television series set in that same galaxy far far away The franchise s flagship television series and likely the firmest fan favorite for some time to come is The Mandalorian Tracing the tale of the titular bounty hunter traveling across the furthest reaches of that mythic galaxy The Mandalorian has been greatly praised and highly acclaimed for creating characters with gravitas and originality worlds with depth and impact resulting in some of the best Star Wars content ever Even though it s set in deep space The Mandalorian has as much in common with Western movies as it does with science fiction Saloons Bandits Gun duels Bounty hunters Outlaws with a price on their heads Space exploration as a final frontier And a wild hero who doesn t quite belong in a lawless part of the Galaxy after the fall of the Empire The Science of The Mandalorian takes you on a badass journey with a mysterious lone gunfighter in the outer reaches of the galaxy where your beskar armor will protect you from many things but not the sight of a small green carnivorous humanoid with big black eyes and mysterious powers This is the way *The*
