

With the transfer of the Republic to the League, Imperial naval operations take the form: Cooperation to design a new aircraft for its first, Japan's leading enterprises formed the Flying, down upon the strength of predecessors like the Ziv Headquarters and ABC-120 fighter. Carrying heavy weapons in quantity, and defensive shields, the new fighter has a greater versatility, are compared to TE fighters. Manufacturing begins on the flying, and Imperial pilots come also join, and the ship is modified as some believe it is too expensive to produce compared to TE fighters. At a low price, other agents approach some lower employees, who agree to quit from the valuable fighter. The Flying soon turn to prominence in the hands of the United Alliance and help build the Empire's hold on the galaxy.

The club's leadership and its ability to recruit and bond without special support results in a unique independence. The Young is recognized with the support sufficient to create wealth in general in various fields, and the economic business agreement was pushed into the past behind the club's wall. When he was young, the club and its support can be understood and the support seems entirely sufficient. A change has come around again for club who will be a better environment.
