Meredith Willson - America's Music Man Bill Oates, 2005-08-15 Meredith Willson America's Music Man is a loving thorough and accurate examination of one of Broadway's great composers It tells the story before during and after The Music

Man opened in 1957 The story of Willson s family his life in Mason City Iowa and his eventual rise to the top of the music world forms the platform that led to four musicals and dozens of awards Also included are Willson s activities scoring movies directing orchestras on Old Time Radio and even becoming a character on radio and television shows This is the first in depth look at the career of a real music man from north central Iowa **Jacob's Band Monthly** ,1929 **Death Climbs a Tree** Sara Hoskinson Frommer,2005-08-01 I can t play the concert Sylvia Purcell said I have to sit in a tree Joan Spencer manager of the local Civic Symphony is up a tree herself when one of her top violinists deserts the orchestra right before a concert Sylvia is looking for publicity in protest of a local environmentally unfriendly construction project But before she can be talked down peacefully Sylvia crashes to the ground right at the feet of Joan s son Andrew and it s clearly no accident For Joan the question of just who knocked Sylvia into the next world becomes far more interesting than making sure the orchestra is ready for the big event Could Sylvia have been killed by the shifty contractor who s always nearby The Earth Freedom Fighters who defaced his equipment The source of the mysterious moving lights in the woods late at night Or does all the evidence point to Joan s son Andrew himself No one seems to have any answers but the biggest question of all is particularly close to Joan s heart Just how much danger Andrew in Sara Hoskinson Frommer is a true master of the atmospheric small town mystery and **Death Climbs a Tree** is another superb entry in a series that continues to please **A Treasury of Iowa Tales** Webb Garrison,Janice Beck Stock,2000-04-29 Unusual interesting and little known stories of the state of Iowa **A Treasury of IowaTales** is aimed at the target of familiarity plus novelty These suspense packed stories constitute history for the ordinary person and a few include really great traditions passed orally from generation to generation
