The Starter Wife Nina Laurin, 2019-06-11 From the bestselling author of *Girl Last Seen* comes a spine tingler Booklist of a psychological suspense perfect for fans of Lisa Jewell and Jessica Knoll Local police have announced that they're closing the investigation of the suspected drowning of 37 year old painter Colleen Westcott She disappeared on April 11 2010 and her car was found parked near the waterfront in Cleveland two days later but her body has never been found The chief of police has stated that no concrete evidence of foul play has been discovered in the probe close the online search window annoyed These articles never have enough detail They think my husband's first wife disappeared or they think she is dead There's a big difference My phone rings jarring me away from my thoughts and when I pick it up it's an unknown number The only answer to my slightly breathless hello is empty static When the voice does finally come it's female low muffled somehow Where is it Claire What did you do with it Tell me where it is A woman A real flesh and blood woman on the other end of the phone She's not just in my head A wave of panic spreads under my skin like ice water It's Colleen Laurin knows how to ratchet up the suspense Publishers Weekly

The Emergence of Charismatic Business Leadership Richard S. Tedlow, 2021-09-14 The author of *Giants of Enterprise* examines the evolving role of business leaders in the 21st century with essential lessons from today's trailblazers In *The Emergence of Charismatic Business Leadership* Harvard Business School Emeritus professor Richard S Tedlow reveals how a handful of individuals have transformed modern day leadership making charisma essential to the role He looks at leaders like Oprah Winfrey Elon Musk and Steve Jobs three pioneers who found success by innovating their management style and using their charisma to champion their vision Through Tedlow's in depth accounts of modern business history we see how former outsiders attain power and influence and how charismatic leadership enables the creation of revolutionary products like the battery electric vehicle and the smart phone But Tedlow also considers the careers of people who used their charisma to mislead such as Jeff Skilling of Enron and Elizabeth Holmes of Theranos In this thorough examination Tedlow shows how charisma when combined with genuine character can get you far

Debi Chaudhurani, or The Wife Who Came Home Julius J Lipner, 2009-10-02 This is the second in a trilogy of works by the famed Bengali novelist Bankimchandra Chatterji 1838 1894 and the second to be translated by Julius Lipner The first *Anandamath* or *The Sacred Brotherhood* was published by OUP in 2005 Bankim Chatterji was perhaps the foremost novelist and intellectual mediating western ideas to India in the latter half of the 19th century Debi Chaudhurani is a didactic work that champions a particular interpretation of Hindu dharma and wifely duties reflective of the late 19th century Calcutta context in which it was written But the story is also compelling Written in a conversational style it features surprising plot twists and ideas that are even today revolutionary in their daring

Most notably Bankim makes a woman the embodiment of Lord Krishna's salvific message as originally enunciated in the Bhagavad Gita. The protagonist Debi is a complex figure who is a rejected wife, becomes a bandit queen, represents a goddess figure and symbolizes the land of India. There is a creative tension between her strength as a leader and her correct role from the perspective of the author as a domestic wife. Bankim also focuses on caste and what it means to be a genuine Brahmin who is transformed by the author into a man who executes responsibilities instead of demanding privileges. Within the context of the teachings of the Gita, the author shares his vision of social activism to improve India. Lipner's idiomatic translation is enhanced by his detailed commentary on the original Bengali text and by a readable introduction that sets the novel and its ideas in context.

The Last Beautiful Girl Nina Laurin, 2021-09-07 Fans of Black Mirror and *There's Someone Inside Your House* will devour this disturbing story about a dark descent into social media fame. Izzy is determined to use her family's new mansion and the treasures inside to outshine everyone in her new town, even when it's clear that something or someone in the house has deadly intentions. When Isabella Brixton is forced to move from New York City to a tiny town, she's not thrilled. The silver lining is the gorgeous old mansion she now calls home. As the former residence of a glamorous patron of the arts and muse who died many decades ago, the house has its quirks: whole floors are boarded up, old paintings are covered, and cell reception is nonexistent. Isa is ready to hate her new life, but things turn around when her classmate Alexa, a skilled photographer, suggests they start an Instagram account featuring portraits of Isa inside the mansion. Wearing gowns and jewelry hidden away in the house, Isa looks perfect in the unfiltered photos, almost unnaturally so, and they quickly go viral. Soon she's got a new best friend, a potential boyfriend, and is surrounded by a group of girls who want the photoshoots and fame for themselves. But there's a darkness in the house and a darkness growing in Isa too. When girls start getting hurt, it's clear that something or someone in the house is growing in power with deadly intentions.
