The Golden Disc Robyn Adams,2013-11-19 Holding up the device Jondra said This is the Golden Disc of Ra the Healing Bomb from our home planet Because of the sudden and unexpected nature of its destruction this force was never activated It was originally prepared to transmute negative emotional thoughts into much more compassionate and loving actions in an explosion of consciousness not protect us from wayward meteors One day it may save the dwellers on this planet Earth from destroying themselves Pity we never had a chance to test it The Earth is in crisis as the Forces of Darkness and Destruction are rapidly gaining power in many countries Four people remember their ancient pledge to re discover one section of the powerful device if a dire enough situation warrants it When a rogue country detonates a nuclear bomb over Jerusalem these four are called to save humanity from a destructive aftermath of retribution From each continent comes one whose ancient destiny is to reassemble the Golden Disc programmed millennia ago to empower the Forces of Light to triumph One by one the four are

awakened to their destiny reconnected with each other and travel to Kenya to reassemble the Golden Disc that will save the Earth They must release a wave of higher consciousness from the device called a Healing Bomb before several other countries ally to become involved in all out nuclear war which will have a cataclysmic effect on Earth and humanity far greater than the predicted earth changes that were due to take place at the end of 2012 Will they make it before the deadline and can they remember how to re assemble the device in time If it is not done absolutely correctly a terrible confl agration could destroy the very thing they are trying to save Earth To do so they will have to outwit those whose role it is to prevent this from happening by Robyn Adams *The Place of Lions* Eric Campbell,1995-04 When the plane flying Chris and his father crashes on the Serengeti Plain Chris sets out to find help and finds that his journey is paralleled by that of an aging lion Mechanic Auto Electrical and Electronics (Theory) Mr. Rohit Manglik,2024-05-18 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels **Humble by Nature** Kate Humble,2021-07-01 You d have to have a heart of stone not to be touched by Kate s enthusiasm for her new way of life Daily Mail In 2007 after 20 years of living in London Kate Humble and her husband Ludo decided it was time to leave city life behind them Three years later now the owner of a Welsh smallholding Kate hears that a nearby farm is to be broken up and sold off Another farm lost another opportunity for a young farmless farmer gone Desperate to stop the sale Kate contacts the council with an alternative plan to keep the farm working and to run a rural skills and animal husbandry school alongside it Against all odds she succeeds Here in Humble by Nature Kate shares with us a highly personal account of her journey from London town house to Welsh farm Along the way we meet Bertie and Lawrence the donkeys Myfanwy and Blackberry the pigs and goats Biscuit and Honey not forgetting a dog called Badger and his unladylike sidekick Bella And we are introduced to the tenant farmers Tim and Sarah the locals who helped and some who didn t and a whole host of newborn lambs Full of the warmth and passion for the natural world that makes Kate such a sought after presenter Humble By Nature is the story of two people prepared to follow their hearts and save a small part of Britain s farming heritage whatever the consequences Autocar ,2006 **Aargh!** Joss Smith Westonpeglerpegler,2011-06-01 The writing is a fascinating blend of wry contemporary social narrative a la Nick Hornby yet conveying a message about the divisive South African culture reminiscent of JM Coetzee Some of the brutally honest accounts of Joss early sexual encounters would probably shock if taken out of context but he somehow manages to make them seem wholly acceptable as he struggles to come to terms with his many desires in an Apartheid governed world Rupert Reid DescriptionThis eccentric book is an attempt to make manic depression more widely understood given the stigmatism that it is usually associated with The illness creates a jaundiced perception of people and reality and it is probably for this reason that the characters names are changed otherwise it is a real story However there is no distinction between

reality and dreams It is not a story about success victory or triumph although equally given the circumstances it is also not one of failure either It is a journey that starts in normality and ends in the opposite corner beginning with a disturbed and violent dream The book charts the experiences of Joss through Africa and Australia marriage and running a business On a few occasions the narrative fails and the author expresses his nightmares secret thoughts imagery and disbeliefs in poetry The sudden loss of control or sanity and his arrival in a mental asylum and the view from inside is both very distressing and strangely humorous It ends on a note of poignancy recalling Joss supposed recovery and his attempted assimilation back into society A fascinating and thoroughly engaging read a must for anybody who wishes to further understand the thoughts and actions of a manic depressive About the Author Joss has been a Company Director and is now a student at the Open University Joss is a republican who does not use products that have been tested on animals prefers to buy second hand clothes from Oxfam reads the Telegraph and listens to Radio Four His experiences include seeing a UFO scratching a white rhino and a tarantula s stomach riding an ostrich and he has been in a high speed police car chase Joss has run the Comrades Marathon 89 kilometres in 7 hours 29 minutes and 59 seconds For nine years Joss was a vegetarian did not eat chocolate or drink alcohol He is a one time member of Greenpeace votes Labour is a pacifist asthmatic left hander bow legged has one kidney and suffers from manic depression
