

ACCIDENT/INJURY REPORT

This form is to be used to report workplace accidents, to include: near misses, injuries, illnesses, or exposures. Use ballpoint pen and attach additional sheets to this report if more room is needed. The individual will complete Part I of this report. The supervisor or instructor will conduct a thorough review and complete Part II. The Safety Officer will investigate the event, identify a primary cause if possible, add any written recommendations, make copies, and distribute the form when completed.

Do not move equipment involved in a work-related accident involving a fatality, hospitalization of 2 or more staff, or serious injury unless moving the equipment 1) allows victims to be removed or 2) prevents further accidents. The equipment **must not** be moved until a representative of the Department of Labor & Industries investigates the accident and releases the equipment.
