The Works of the English Poets, from Chaucer to Cowper Alexander Chalmers,1810 *The Works of the English Poets from Chaucer to Cowper* ,1810 *A Complete History of Drugs. Written in French by Monsieur Pomet, Chief Druggist to the Late French King Lewis 14. to which is Added what is Farther Observable on the Same Subject ... Done Into English from the Originals* Pierre Pomet,1748 "Swallows, Amazons and Coots" Julian Lovelock,2016-09-29 In 1929 Arthur Ransome 1884 1967 a journalist and war correspondent who was on the books of MI6 turned his hand to writing adventure stories for children The result was Swallows and Amazons and eleven more wonderful books followed spanning inpublication the turbulent years from 1930 to 1947 They changed the course of children s literature and have never been out of print since In them Ransome creates a world of escape so close to reality that it is utterly believable a world in which things always turn out right in the end Yet Swallows Amazons and Coots shows that to be properly appreciated today the novels must be read as products of their era inextricably bound up with Ransome s life and times as he bore witness to the end of Empire and the dark days of the Second World War In the first critical book devoted wholly to the series Julian Lovelock explores each novel in turn offering an erudite assessment of Ransome s creative process and narrative technique and highlighting his contradictory politics his defence of rural England and his reflections on colonialism and the place of women in society Thus Lovelock demonstrates convincingly that despite first appearances the novels challenge as much as reinforce the pervading

attitudes of their time Written with a lightness of touch and enlivened by Ransome's own illustrations *Swallows and Amazons* is both fresh and nostalgic It will appeal to anyone who has enjoyed the world of *Swallows and Amazons* and there is plenty here to challenge both the student and the Ransome enthusiast **Eleanor of Aquitaine** William W.
