Baker, 2015-07-30 Introduction to ESOTERIC ASTROLOGY VOL 6 Colloquialisms and Clichés By Dr Douglas M Baker This volume is a unique dictionary of permutations in the form of colloquial sayings and clichés translated into their astrological equivalents A very valuable reference work for those interpreting astrological charts The modes of expressing a language may indicate powerful subjective forces at play deep in the unconscious structure of the Race using that language This is particularly true of English which has become the international language for reasons not entirely connected with political developments The virility of the Anglo Saxon sub race is based largely on esoteric foundations as anyone will soon find if he studies a simple handbook of Theosophy Idiomatic language reflects the character of the people expressing it and releases numinous energies from their unconscious Anyone who understands the significance of the mantram of invocations and words of power will quickly apprehend the energies that lie packaged with proverbs which themselves are surfacings of racial wisdom Energy and meaning underlie words as much as they do images and thoughts Equally so the incessant use of certain phrases exhausts their associate energies and degrades them to the level of shallow inanities which we call clichés The cliché is resorted to by those who are in a hurry to express something or who are mentally lazy or ill equipped in the language itself Their frequent usage shows him up cliché and anyone watching television in which an interview is suddenly thrust upon a trade union leader knows what this does for the latter's image I choose my words with care Phrases like at this moment in time and other banalities such as the point is render the interview a farce and its impact becomes negligible Nevertheless the cliché does indicate that the Race is trying to express again and again certain elements of its unconscious By allocating appropriate astrological glyphs to the cliché being expressed we can soon come to recognise the qualities of those underlying archetypes This is as true for the individual as it is for the Race Collective unconscious Archetypes Deep racial unconscious Myth legend and fable Individual's Soul's purpose Precepts Superficial racial unconscious Proverbs Individual's personal cliché unconscious conversationism colloquialism By correlating any of the above

with the appropriate astrological aspect for its related meanings and energies lying deeply or superficially in the native's unconscious or openly in his personality are quickly revealed. The deeper structures when they are related through their astrological aspect directly to the Rising Sign and its esoteric ruler etc are indicative of the native's Soul's purpose. Permutations of any aspect reveal meanings covering the whole range of a person's nature from the level of his Soul right through to the components of his personality from psyche and Self to ego. primarily concerned with the hegemony of the soul as it progressively asserts itself in the life of the individual it is also capable of providing the personality with direction and useful advice When we are dealing with Man on the Path a far far more accurate an interpretation of his situation its potentials and limitations for expression is given here by using the esoteric rulers of the Signs of the Zodiac as demonstrated in esoteric astrology The development of the computer has made the horoscope available to the millions and it is but a matter of time before the same computers begin to sieve out the real from the unreal In the end however the real is only discovered within and the fullest exposition of esoteric astrology gives the keys to such discoveries within and their correlation to wide and more universal principles To ignore the individual horoscope is to leave astrology esoteric or exoteric with feet of clay What this writing represents is a wiser and more psychosynthetic interpretation of the horoscope Thus providing the interpreter views the horoscope from a point of higher synthesis the most accurate interpretation of a personality matter may be gauged from particular astrological aspects Bailey herself or the Tibetan Master through her gave the key to the psychosynthetic approach by allocating esoteric rulerships to the Signs for Man on the Path and a further set of rulers called hierarchical which apply to those disciples who are initiate and engaged in the work of the Hierarchy of this planet as It implements the Divine Plan for the Earth

PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
