Opinion Writing

Second Grade

Would you rather....

be the teacher or the student?

In my opinion, I would rather be the teacher! Teachers are in charge and get to decide what the students do. Also, they don't have to do any of the work. So, I would rather be the teacher so that I can let every one have fun all day long!

CCSS.ELA-LITERACY.W.2.1 Write opinion pieces in which they introduce the topic they are writing about, state an opinion, supply reasons that support the opinion, use linking words (e.g., because, and, also) to connect opinion and reasons, and provide a concluding statement or section.
