Dear Mr. Demarco,

I want to extend to you and your family a very warm welcome to Elysian High School. For a student, their high school years are a thrilling time when the children embark upon new adventures in the world of learning. All of the new years are going to provide several important transitions and the accruing of new skills that will improve and enhance each student's ability to apply learning in many ways. Elysian High School is dedicated to providing a challenging and rigorous curriculum that helps each student develop and progress, slowly and gradually at an appropriate time. Our school also provides a safe and conducive environment for all students for the same.

Teaching and learning offer us all a number of brilliant opportunities to focus on numerous small things that accrue overtime to produce students that are prepared to do greater things in life. With this in mind, ultimately as a collective community, we are judged by the actions of our student body as a whole and the way new students' learning connects and impacts the world beyond our school. At our school, we are committed to inculcating the arts into our academic curriculum because we believe that we learn better with and through an artistic approach.

As a former elementary and middle school teacher myself, I value the socioemotional development of all of my children as they transition from their formative years through early adolescence. I also understand that it's just as hard for a teacher to take care of such students in their transitioning years, as it is for the children who themselves are undergoing the transition, and I value life-long learning and aim to make your child's learning experience at Elysian High School engaging and thrilling.

I hope you have a wonderful time here at our school. Mr Demarco, I'm really looking forward to seeing you soon. Good luck on everything. I believe in you.

Sincerely,
Dorian Electra
Principal
Elysian High School
