Teachers Guide Ready New York Ccls 7:

Advocacy and Archaeology Kelly M. Britt, PhD,,Diane F. George,2023-04-01 Archaeologists have a history of being prime agents of change particularly in advocating for protection and preservation of historical resources As more social issues intersect with archaeology and historical sites we see archaeologists and others continuing to advocate for not only historic resources but for the larger social justice issues that threaten the communities in which these resources reside Inspired by the idea of revolution and excitement about the ways archaeology is being used in social justice arenas this volume seeks to visualize archaeology as part of a movement by redefining what archaeology is and does for the greater good
