A Civil Society Teaching Primer Daniel R. Gilbert Jr.,2025-03-11 How can I arrange a purposeful civilian life as I move through an unfamiliar place From what place and to what place does water flow through my place of residence This book is situated at the convergence of these seemingly unrelated questions At this convergence is an opportunity to teach college age learners to practice a thoughtful disciplined inquiry about their places in American civil society This book is written for college teachers It contains a plan for teaching learners to make connections between American civil society civilian life in recognizable places and organized water services The book is filled with teaching resources about a sense of place These resources include photographs newspaper bibliographies mapping exercises and literary tours This book is a novel venture in two respects First the focus is on civilian life in American civil society Second American civilian life is depicted as an experience shaped through the organized movement of water Neither focus is presently available in the American undergraduate General Education curriculum
