The Civil Sphere Jeffrey C. Alexander, 2008-09-08 What binds societies together and how can these social orders be structured in a fair way Jeffrey C Alexander's masterful work The Civil Sphere addresses this central paradox of modern life Feelings for others the solidarity that is ignored or underplayed by theories of power or self interest are at the heart of this novel inquiry into the meeting place between normative theories of what we think we should do and empirical studies of who we actually are Solidarity Alexander demonstrates creates inclusive and exclusive social structures and shows how they can be repaired It is not perfect it is not absolute and the horrors which occur in its lapses have been seen all too frequently in the forms of discrimination genocide and war Despite its worldly flaws and contradictions however solidarity and the project of civil society remain our best hope the antidote to every divisive institution every unfair distribution every abusive and dominating hierarchy This grand sweeping statement and rigorous empirical investigation is a major contribution to our thinking about the real but ideal world in which we all reside
