Teacher by Roy Pitcher Synopsis for cover The success of Jesus as a teacher is both proverbial and fascinating especially for
a teacher but can his many strategies and methods go beyond religious teaching and be translated widely into the 21st
century That is the question Roy Pitcher asked His positive conclusions are described in three parts An analysis of Jesus
situation decisions and methods An examination of seven inter related social psychological themes evident in his teaching A
translation and application to our contemporary scene of eight strategies and a planning model that can be applied to wide
