Responsive Coaching: Evidence-informed instructional coaching that works for every teacher in your school

Josh Goodrich, 2024-03-22 Great teachers can make a huge difference to students lives but helping them to improve throughout their careers is vital How can we best do this Multiple studies suggest that instructional coaching a school centred approach to developing teachers is one of the best options we have However to make the most of instructional coaching we must be clear about what it means In Responsive Coaching Josh Goodrich examines contrasting models combining research and practical experience to build an approach that adapts to meet the needs of individual teachers This enables coaches to flex their style depending on where a teacher is on their journey towards expertise Josh distils his approach into five areas unpacking essential research and providing concrete examples of great coaching in action to provide a toolkit of practical responsive coaching strategies that support teachers to make continuous improvements Combining robust research evidence from a wide range of fields with the practical wisdom of experienced teachers leaders and coaches the book is a toolkit for building an instructional coaching approach that works for every teacher Catalog of Copyright
