Forthcoming Books Rose Army,1998 *The Beginnings of Civilization (Classic Reprint)* Charles Woodward Hutson,2017-11-19 Excerpt from *The Beginnings of Civilization* It may not be amiss to tell how I came to write this little book Works so much more scholarly appearing from time to time on one or another branch of the theme here discussed some persons may be disposed to regard my venture as superfluous if not presumptuous But the fact is I have sought in vain for a work even professing to cover just the field which it has been my aim to prepare for the use of the reader In trying to give my history classes some idea of the state of humanity before the dawn of history I have found myself compelled to draw one set of facts from the geologists and archaeologists another from the students of myths and folk lore another from the special students of language and race and another from the very negations of the antagonists of each or all of these classes of scientific workers About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Prehistory and the beginnings of civilization*, by J.
