**1 Peter** Harry Uprichard, 2019-12-06 Writing to Christians facing trials and possible persecution Peter begins his letter not with their problems but with the solution Individually as believers they inherit a triune salvation where God chooses Christ cleanses and the Spirit consecrates Corporately brought from darkness to light Christ as cornerstone both establishes and shapes them Practically amid adversity within society in work and at home Christ's death as atonement saves them and his example motivates them He is also their overseer and shepherd Generally and potentially suffering for righteousness's sake means following Christ's example of nonretaliation setting him apart in their hearts as Lord and living for him at all times like this Even in their fellowships leaders and led must be diligent and humble like Christ

**Teacher in the Gospel of Matthew** Charles Nathan Ridlehoover, Charles Quarles, 2023-07-27 Inspired by the work of Richard France and his highly influential *Matthew Evangelist and Teacher* Charles L Quarles and Charles Nathan Ridlehoover have gathered together a collection of works that argue for a re examination of the defining features of Jesus's role as a teacher in the Gospel of Matthew This volume suggests that while each of the Gospel writers display Jesus leading disciples along speaking to crowds and confronting Jewish authorities with effective and timely teachings Matthew's portrayal of Jesus as a teacher contains distinctives that deserve further exploration After examining Jesus's Old Testament and Second Temple influences and comparing his methods to the contemporary Greco Roman tradition the contributors explore Jesus's position as a teacher of faith and forgiveness and a trainer of scribes and analyse his relationship with several different apostles Including responsive essays and concluding with a summary of Jesus and Matthew himself as evangelists and teachers this journey through the aspects of Jesus's teaching ministry gives readers a more complete look at Jesus's vocation
