

A romantic close-up of a man and a woman about to kiss. The woman is on the left, looking down with a soft smile, her hair adorned with a delicate white floral headpiece. The man is on the right, looking up at her with a gentle expression. They are both wearing white clothing, suggesting a wedding or formal event. The background is softly blurred, focusing attention on their faces.

Downey, 2020-11-30 Join the Billionaire Bennett family for an unforgettable holiday Christmas in Montana When Penelope and Griffin decided to invite the whole Bennett clan to their Montana ranch for Christmas it seemed like a good idea at the time After all they're settling into parenthood nicely and looking forward to their first Christmas with baby Savannah And family is important Right However they were definitely not expecting everyone to accept the invitation Especially James and Giselle Bennett the parents It will be a full house and then some Good thing space isn't an issue The house is large enough and with three luxury guest cabins there's plenty of room to accommodate the crowd Kyle Ella Finn and the twins in cabin one Jesse Faye and Tyler cabin number two Parents choice of cabin three or the guest suite in their home Oh well Why not jump in with both feet The closer it gets to Christmas the more nervous Penelope is about hosting the entire family Especially her in-laws Griffin's warnings do nothing to calm her nerves His Don't let my parents get to you isn't exactly what Penelope wants to hear Loads of food and alcohol check Decorations up the wazoo check Winter activities check The whole Bennett clan for a week check What could possibly go wrong Try everything Brothers sisters kids babies parents dog's and friends all come together to make this a holiday that they're not likely to ever forget **Holidays with the Billionaire** Carolyn

Delaney, 2024-10-15 Adlee Getting passed over for a promotion to someone way less qualified is making me want to quit this company altogether I won't be treated this way forced to continue to be some jerk's secretary But when that less qualified bimbo has an accident at our Christmas party I've been moved into the role I wanted to begin with But once I'm told that I'll have to attend the annual week long business trip at the owner's ski lodge I try to come up with any excuse in the book I may live in Colorado but I do not like the snow or snow sports But Kelton Fox will not hear it It's bad enough the cocky ex hockey player turned billionaire looks like some kind of sports god but to be around him constantly for a full week I'll surely be out of a job by the end of the week since I can't resist flirting with him and I'm sure he'll have none of that Kelton After my secretary retired I wasn't crazy about the pool of applicants but settled on the blonde instead of Adlee Phillips There was no way I could work in close proximity with the brunette day in and day out I'd surely catch some kind of harassment case But now I'm forced to bring Adlee with me on the annual board members trip to my ski lodge and I have no idea how I'm going to keep it professional around her She's absolutely gorgeous and just having her in the main offices is hard enough day in and day out Little did I know that along with beauty she has brains which makes her even harder to resist How am I going to

maintain control around her for a full week It turns out that is way harder than I thought it would be Holidays with the Billionaire is a standalone Christmas novel for readers 18 The Holidays with Dr. Mitchell Raylin Marks, 2024-11-26 No one ever really talks about what happens after happily ever after I proved that fairy tales aren't as farfetched as everyone seems to think I found my Prince Charming and I married him Jake is gorgeous A hot doctor who just happens to also be a billionaire Our chemistry is nothing short of combustible And I'm happier than I've ever been Except for one thing Lately Jake's been so busy with work that we're apart more than we're together It's happening so often that I'm starting to feel like a married single mom So I'll need to figure out some way to spice up our marriage over the holidays Something that'll get his full attention Because after everything we went through we deserve our happy ending And I'm not about to let it slip away without a fight The Holidays with Dr Mitchell is a standalone spicy sexy fun and humorous holiday contemporary romance novel in the Billionaires Club series This holiday romance book will start in the cozy season of Fall and bring us all into the enchanting Christmas season celebrating friendship family and love Download today because the doctor is in and he's ready for you
