The Billionaires Box Set Volume 4 Roxy Jordan, 2019-11-18

Book 1 The Billionaire's Desire A Dark Billionaire Romance Short Story He was tall with long black hair. He wore a suit and he wore it well. It was tight fitting and hugged his lithe body. He was talking heatedly with another man in a suit near a door marked employees only. As Molly watched he laughed and patted the other man on the shoulder and then turned and made to walk away but then he caught her eye. She suppressed a squeal she didn't know why but she would have squealed if she hadn't made the conscious effort to stop it and looked away. She was near the eggs now so she focused on them. She felt more than heard his presence behind her and her whole body froze. She felt like a shadow had just descended on the entire aisle. Who was this man and why was he standing behind her? She suppressed the urge to turn around. She didn't know why but the idea of turning around was terrifying to her. Well she did know why he was incredibly attractive and he was close to her. She wasn't very good with attractive men. She wasn't very good with men in general. Finally she heard him heavy breathing in and out, slow rugged breaths.

Book 2 The Billionaire's Deal A Dominant Billionaire Romance Short Story I love it when the trees are so tall they have grown together above the lane so that I am driving in a tunnel of trees the light just sparkling through the leaves like shiny copper pennies falling from heaven. Of course I know Copper Ridge Ranch was named for the natural element once found in its soil and if anything rains down on Marcus Elliott it's not copper. It's thousand dollar bills. Do they even make those? If they do I'm sure Mr. Elliott uses them like tissue paper. I take the corner a little too fast and hear the rattle of the food trays in the back. Great that's all I need. On the day Marcus welcomes August Kalle into his home I'm going to show up with a cheesecake covered in road rash. I'm lucky though. Not too much to unload on this trip. I started Carrie's Catering because I liked to cook and I needed a job. Little did I know I'd spend most of my time being a roadie spending more time loading and unloading the van than mixing, baking or frosting all together. But Copper Ridge Ranch is my flagstone client. They spend so much money and time on catering. Mr. Elliott once asked me to consider moving into a guest house and just living here.
