The Bluffers Guide To Poetry:

Bluffer's Guide to Poetry Nick Yapp, Richard Meier, 2019-01-29 Instantly acquire all the knowledge you need to pass as an expert in the world of poetry and verse bluffers might be surprised to discover that there is a difference from Bluffer's Guide to Poetry Never again confuse an anapest with a distich a panegyric with a polemical or a haiku with someone clearing their throat Bask in the admiration of your fellow soi-disant literati as you pronounce confidently on the comparative merits of a rhapsody and an elegy or a dactyl with a spondee and effortlessly learn how to hold your own when extolling the sublime gifts of possibly the greatest poet who has ever lived William Topaz McGonagall DO SAY Yes I suppose it's about time I rediscovered insert name here although I'm afraid that I've always found him/her a little too deceptive On the other hand he/she also has a tendency towards the tiresomely reductive In the past my response to his/her work can only be described as lacklustre but everybody deserves a second chance DON'T SAY There was a young lady from Bude Who went for a swim in the nude

Postcolonial Overtures Julia C. Obert, 2015-10-29 Postcolonial Overtures explores the importance of sound in contemporary Northern Irish writing focusing on the work of three canonical poets Ciaran Carson Derek Mahon and Paul Muldoon Obert argues that these poets respond to what Edward Said calls geographical violence to the stratification of the North's visual spaces to the sectarian symbols splashed across Belfast and beyond by turning from the eye to the ear tentatively remapping place in acoustic space Carson for instance casts Troubles-era Belfast as a demolition city its landmarks swallowed in the maw of time and trouble and tries to compensate for this inhospitality by reimagining landscape as soundscape an immersive auditory field This strategy suggests sound's political and affective potential music accent and even comfortingly familiar white noise can help subjects otherwise unmoored feel at home Drawing on a diverse range of fields Obert devotes two chapters to the examination of each poet's work allowing room for both in-depth formalist readings and contextual and theoretical understandings of the poems and their reverberating effects
