The Of Genesis:

The Book of Genesis Ronald Youngblood, 1999-12-21 A thorough revision of Youngblood's two earlier studies *How it all Began* and *Faith of our Fathers* The Book of Genesis provides students with a vast resource for understanding the beginning of the universe marriage society redemption life sin and civilization Ronald Youngblood makes a profound application of the Genesis message to the issues of contemporary life

The Book of Genesis Richard N. Hughes, 2000-12-01 Genesis is the first book of the Bible and in many ways offers us the Bible in miniature It is a book of beginnings indeed its original title in the ancient Hebrew was Bere Shith which translates In the beginning which are the first words of the book Parenthetically that is the way many books in the Bible were originally named In both Jewish and Christian circles Genesis is believed to have been written by Moses who also is also believed to be the author of the next four books of the Bible Those five books known as The Pentateuch which means the five are believed to have been written during the forty years when the Jews wandered in the wilderness following the exodus from Egypt It should be pointed out however that Genesis is made up of many stories of a traditional nature which may date back hundreds of years before Moses time It might be more accurate to say that Moses was the compiler of Genesis drawing from oral histories and folk tales and weaving them together into a coherent narrative The work was his but the material was almost certainly traditional Many Biblical scholars although certainly not all believe that there are three specific sources represented in Genesis and the other books of the Pentateuch which range in origin from the tenth to the fifth century BC They are as follows The J strain named for Jahweh Yahweh which is the personal name for God in the Old Testament The J strain is an amalgamation of divine revelation and scientific data The E strain named for Elohim which was one of the early names for God This strain consists mainly of dreams and divine revelations The P strain called the Priestly strain because it deals much more with the specifics of dates details and descriptions explaining providing a bridge as Priests do This can be confusing at times because there are instances when the three strains contradict one another and in some sense each has its own distinctive theology It should also be said that while this theory is widely held it cannot be conclusively proved For all practical purposes it is best to think of Moses as the author understanding that he would have borrowed from a number of different sources in creating the book We should also understand that for a period of more than a thousand years Genesis and the other books of the Pentateuch were subjected to editing and revision Indeed Genesis was not set in its final form the form we read today until about 250 BC when the translation was made into the Greek In your Bible study you will come across the word septuagint sept TOO uh jint which is the name given to that translation because it was done by 72 Jewish scholars who were brought to Egypt by Ptolemy II to translate the five books written by Moses The book of Genesis is important to us because it is the foundation for understanding the rest of the Bible All of the great themes of the Bible are introduced in Genesis and one of the pleasures in studying the book in detail is being able to pick them out when they appear Christians particularly will find all of the theme s

of Jesus ministry in this remarkable book which is not surprising because he would have studied Genesis in essentially the same form that we will study it in these lessons Commentary on the Book of Genesis: Bible Study Notes and Comments David Pratte,2018-12-20 Bible study notes and commentary on the Old Testament book of Genesis Emphasizes understanding the text with practical applications Intended to be helpful to all Christians including teachers and preachers while avoiding an emphasis on technical issues Written from the perspective of faith in the Bible as the absolute inerrant verbally inspired word of God Comments include discussion of these topics Are Bible accounts of creation and the flood literal history Can organic or theistic evolution be harmonized with Scripture Are the days of Genesis 1 literal or symbols of long ages Were Adam and Eve the first man and woman How did sin and death enter the world Was Noah s flood worldwide or local What promises did God make to Abraham Isaac and Jacob about the nation of Israel How did Joseph interpret Pharaoh s dreams and save his family in Egypt **The Book of Genesis** Ronald Hendel,2013 During its 2500 year life the book of Genesis has been the keystone to almost every important claim about reality humanity and God in Judaism and Christianity With clarity and skill biblical scholar Ronald Hendel provides a panoramic history of this iconic book exploring its impact on Western religion philosophy science politics literature and more **The Book of Genesis** Alexander Maclaren,1905 **The Book of Genesis** Joyce Gibson,2007-03-18 The Smart Guide to the Bible The Book of Genesis helps you discover how the people promises and events in the Book of Genesis impact your life today Get insights into faith blessings and God s great plan for you and the world The Smart Guide to the Bible is a series of simplified commentaries designed to uncomplicate God s word for everyday Bible readers Every page contains handy features or learning aids like these cross references to other Scriptures brief commentaries from experts points to ponder the big picture of how passages fit with the entire Bible practical tips for applying biblical truths to life simple definitions of key words and concepts interesting maps charts and illustrations wrap ups of each biblical passage study questions Whether you re new to the Bible a long time student of Scripture or somewhere in between you ll appreciate the many ways the Smart Guide to the Bible The Book of Genesis goes far beyond your typical Bible study tool The practical relevant helps on each page lead you to get the most out of God word

You Can Understand® the Book of Genesis Skip Heitzig,2018-06-05 In the Beginning A Good Place to Start Genesis is chock full of some of the Bible s most exciting stories From Adam and Eve in the Garden of Eden to Joseph s reunion with his family Do you ever wonder if God really did create the world in seven days What s the deal with Cain and Abel anyway And just how big was that boat Noah built Start at the beginning with Pastor Skip Heitzig and the accounts on which the rest of Scripture is built the creation of the world the fall of mankind and God s establishment of the history of the nation of Israel Follow along and learn not just the origins of man but also the origins of God s plan for redemption Understanding the book of Genesis is crucial to understanding the rest of the Bible And it all starts in the beginning The Book of Genesis G.A. Clemens, **The Book of Genesis in Jewish and Oriental Christian Interpretation** Judith Frishman,Lucas van
