The Shade of the Saguaro / La sombra del saguaro. Essays on the Literary Cultures of the American Southwest / Ensayos sobre las culturas literarias del suroeste norteamericano

Gaetano Prampolini, Annamaria Pinazzi, 2013 This volume springs from that fruitful project of scientific cooperation between the humanities departments of Universit di Firenze and University of Arizona which was the Forum for the Study of the Literary Cultures of the Southwest 2000 2007 Tri cultural at least Native Hispanic and Anglo American and multi lingual today s Southwest presents a complex coexistence of different cultures the equal of which would be hard to find elsewhere in the United States Of this virtually inexhaustible object of study the essays here collected tackle an ample range of themes While the majority of them are concerned with the literatures of the Southwest still a good third falls into the fields of history art history ethnography sociology or cultural studies They are partitioned in four sections the first three reflecting the chronology of the stratification of the three major cultures and the fourth highlighting one of the most sensitive topics in and about contemporary Southwest the borderlands la frontera Go Southwest, Old Man Mario Materassi, 2009 Go Southwest Old Man a sort of personal remake of Go West Young Man the founding episteme of the American nineteenth century conciliates these two souls well not to be pretentious let s simply say two sides that have actually always lived in harmony This is a book generated by a quarter of a century spent wandering around the canyons and deserts of Arizona Colorado Utah and above all New Mexico with a view to penetrating the by now universal legend of the West approaching the cultures

English Hispanic and native American and mastering the literature The slant is composite melding the scholarly with the informative and the travel journal and the writing is composite too because the book speaks English and Italian It talks about cinema lots of John Ford and about detective stories the most popular genre here about visual arts and Latino folklore about the legend of the West the so called Soul of the Southwest and the kitsch style of Santa Fe And it talks about and with some of the greatest writers that the Southwest has spawned Rudolfo Anaya Stanley Crawford John Nichols and Hillerman So what we have is a first hand experience of the Southwest where the ego is not entrenched within a precise disciplinary role but opens up and exposes itself to the thrilling risk of the discovery that can renew it Eve's Journey Nehama
