The British Billionaire Bachelor Act Two English Edition:

The British Billionaire Bachelor Maggie Carpenter,2013-08-21 SIMON SINCLAIR IS BACK in a story of Romantic Domination that will capture your heart and stir your sensesThe wealthy bachelor has brought Belle the beautiful young woman he met while seeking property in Beverly Hills into his London home Though he doesn't hesitate when it comes to disciplining the headstrong young woman and thrilling her with his Dominant skill he is not accustomed to having his heart strings so sublimely pulled and Simon finds himself unnerved and slightly bewildered Belle's dark cravings are finally being met and her decadent fantasies are becoming reality Sensing his love for her she can only pray that the long time playboy will admit his feelings and commit to her as she has committed in her heart to him But surprises lay in store for them both They are unaware that Amaranth Simon's social secretary is a jealous unstable woman She believes Simon belongs to her and sees Belle as nothing but an American harlot an intruder who must be eliminated Adopted at birth Simon accidentally finds startling answers to long held questions as the stunning truth of his heritage is revealed Elegant luxury Simon's divinely decadent dungeon sensuous sex bondage and spanking highlight this ongoing saga between Simon Sinclair a Romantic Dominant and Belle Somers the fledgling submissive who touched his heart Rebellion, Rascals, and Revenue Michael Keen,Joel Slemrod,2021-04-06 An engaging and enlightening account of taxation told through lively dramatic and sometimes ludicrous stories drawn from around the world and across the ages Governments have always struggled to tax in ways that are effective and tolerably fair Sometimes they fail grotesquely as when in 1898 the British ignited a rebellion in Sierra Leone by imposing a tax on huts and in repressing it ended up burning the very huts they intended to tax Sometimes they succeed astonishingly as when in eighteenth century Britain a cut in the tax on tea massively increased revenue In this entertaining book two leading authorities on taxation Michael Keen and Joel Slemrod provide a fascinating and informative tour through these and many other episodes in tax history both preposterous and dramatic from the plundering described by Herodotus and an Incan tax payable in lice to the misremembered Boston Tea Party and the scandals of the Panama Papers Along the way readers meet a colorful cast of tax rascals and even a few tax heroes While it is hard to fathom the inspiration behind such taxes as one on ships that tended to make them sink Keen and Slemrod show that yesterday's tax systems have more in common with ours than we may think Georgian England's window tax now seems quaint but was an ingenious way of judging wealth unobtrusively And Tsar Peter the Great's tax on beards aimed to induce the nobility to shave much like today's carbon taxes aim to slow global warming Rebellion Rascals and Revenue is a surprising and one of a kind account of how history illuminates the perennial challenges and timeless principles of taxation and how the past holds clues to solving the tax problems of today Congressional Record United States.
