The British Billionaire Bachelor English Edition:

Billionaire Bachelors: Garrett Anne Marie Winston, 2011-01-17 ONE MAN ONE WOMAN ONE VERY TINY CABIN

Because of the terms of a will Garrett Holden had to share his stepfather's tiny cabin in Maine with Ana Birch for one month. A hardened businessman Garrett was lost moments after meeting the beautiful stranger and he knew spending thirty days together would be pure torture on his libido. But as hard as he tried to resist Ana's charms the die-hard bachelor was quickly captivated by her compassionate nature, her zest for life, and her tempting curves. Still Ana's true identity remained a mystery: who exactly was the lovely Ana Birch, why was she named in the will, and how could he walk away from her once the thirty days were up?

The Great British Bachelor Chase Lila Monroe, 2023-07-31 Fall for a new trope: tastic exes to lovers. rom-com read from USA Today bestselling author Lila Monroe. Perfect for fans of Tessa Bailey, Ali Hazlewood, and Emily Henry. Fraser McKenzie is handsome, Scottish, and the first man to ever break my heart. We had a whirlwind romance during my study abroad in England until it ended in an epic ghosting. His and untold misery mine. I haven't laid eyes on his distractingly broad shoulders since. Until I arrive back on British shores for my dream job consulting on a big new production of *Pride and Prejudice* and find that Fraser is working on the movie too. Or rather he finds me naked in the communal shower, clinging to a hand towel and my dignity for dear life. I have zero desire to go strolling back down memory lane with him, even if our burning chemistry would put Lizzie and Darcy to shame. But when I accidentally send our lead actor fleeing on a mysterious mission, Fraser and I have four days to track him down before the entire movie falls apart. Embarking on a madcap British road trip with my ex is a recipe for disaster and serious temptation. Fraser is more infuriating and swoon-worthy than ever, and soon we're not so much rekindling an old flame as setting the world and my burning loins on fire. But can we overcome the ghostings of the past to find real love? And will we make it to our missing actor in time to save the movie and my career? Find out in the hot and hilarious new romance from Lila Monroe. **HOLLYWOOD BACHELORS** 1 The Hollywood Marriage Bargain 2 The Great British Bachelor Chase 3 The Treasure Hunt Hookup 4 The Tropical Romance Test 5 The Smalltown Seduction Plan. **PRAISE FOR LILA** Romantic comedy at its best. Seraphim Books Reviews A fun and flirty feel-good story that put a smile on my face. Goodreads A funny rom-com that gives me all the laugh and fluff I need. This quirky and heartwarming second-chance romance was fun, light, and perfect to take me away from all the heaviness in life. Goodreads Lila Monroe's writing is a sure thing to put me in a good mood, especially in the gray days. I smiled all the time while reading it, and these characters made my day so much better. ItaPixie Reviews I love the humor in Ms. Monroe's stories. They are outrageously funny. Add to that the romance and off-the-charts steaminess, and you get one helluva story. Bibliophile Chloe This is a great new series. I enjoyed playful characters, the funny moments, and the steamy romance. 5 Stars Reading Keeps Me Sane Blog Lila Monroe is an author who knocks romantic comedy books out of the park. Her books are sweet, spicy, romantic, and so funny that you cannot help but fall in love with her characters and her stories. Goodreads Perfect for fans of

International Education Lucy Bailey, 2025-09-25 This volume presents the first known investigation of the so called diversity paradox positing that diversity has become a tool for distinguishing and legitimating the concept of educated Western elites and arguing for a major reconceptualisation of diversity in different social and cultural contexts within international education Drawing on extensive theorising and empirical studies of international school leadership international school parents and pupils institutional faculty online sources and the author's own wealth of experience teaching and leading in international contexts the book investigates how this vision for education has emerged contrasting it to both how education is seen in other parts of the world and how it has been conceptualised at other historical junctures Exploring the positioning of teachers academics and educational leaders in this discursive shift chapters examine specific aspects of diversity demonstrating how they have become areas of social conflict serving to legitimise privilege in Western educational contexts while excluding other understandings of social cohesion and social inequalities The book offers a novel approach to the analysis of international education by combining sociological and linguistic elements on which to base the argument Ultimately critiquing diversity as a rhetorical device that perpetuates structural and systemic inequalities the book explores how diverse perspectives can be brought to the discussion of diversity itself and will therefore appeal to scholars postgraduate students and researchers in the fields of the sociology of education international and comparative education and higher education
