The Battered Suitcase January English Edition:

Monsieur Ka Vesna Goldsworthy, 2018-02-22 A beautiful haunting novel looking at a familiar London through a frosty snowy lens Wonderful Caryl Phillips The London winter of 1947 is as cold as St Petersburg during the Revolution Albertine the wife of a British army officer often abroad on covert government business finds herself increasingly lonely Eager to distract herself with work she takes a job as companion to the mysterious Monsieur Ka a Russian migr As she is drawn into Ka s dramatic past her own life is shaken to its foundations For in this family of former princes there are present temptations which could profoundly affect her future *Jack Kennedy* Chris Matthews, 2011 Based on interviews with some of his closest associates a portrait of the thirty fifth president discusses his privileged childhood military service struggles with a life threatening disease and career in politics *Churchill* Paul Addison, 2005 During the Second World War Winston Churchill won two resounding victories The first was a victory over Nazi Germany the second a victory over the legion of sceptics who had derided his judgement denied his claims to greatness and excluded him from high office on the grounds that he was sure to be a danger to King and Country Churchill was the only British politician of the twentieth century to become an enduring national hero The curious thing is that it happened at the age of 65 at a time when he was considered to be a spent force with a track record of disastrous decisions All but the most hostile of his adversaries conceded that he possessed great abilities remarkable eloquence and a streak of genius But it was almost universally agreed that he was a shameless egotist an opportunist without principles or convictions an unreliable colleague an erratic policy maker who lacked judgement and a reckless amateur strategist with a dangerous passion for war and bloodshed At one time or another in his career he had offended every party and faction in the land yet despite this he became the embodiment of national unity an uncrowned king who threatened to eclipse the monarchy In this incisive new biography Paul Addison tells the story of Churchill s life in parallel with the history of his reputation He seeks to explain why Churchill was transformed into a national hero and why his heroic status has endured ever since in spite of the attempts of iconoclasts to debunk him He argues that we are now in a position to reach beyond the mythology both positive and negative to see the real Winston Churchill a warrior statesman whose qualities were remarkably consistent through all the vicissitudes of his career **Hiding in Plain Sight** Cheryl A. Cornell, 2020-12-07 Vaughn Matthews witnessed a horrendous crime and spent eight years of her life in witness protection Now she s ready to regain her life free of fear until she receives mysterious gifts and threatening notes When private investigator Tony Lombardo meets his new neighbor the attraction is immediate She s an enigma a mystery he wants to solve Is her careful behavior just an eccentricity or is she in real danger **Parlor Games** Maryka Biaggio, 2013-01-15 Based on a true story comes a sweeping historical novel about a beautiful con artist whose turn of the century escapades take her around the world as she s doggedly pursued by a Pinkerton Agency detective The novel opens in 1917 with our cunning protagonist May Dugas standing trial for extortion As the trial unfolds May tells her version of events In 1887 at the tender

age of eighteen May ventures to Chicago in hopes of earning enough money to support her family Circumstances force her to take up residence at the city's most infamous bordello but May soon learns to employ her considerable feminine wiles to extract not only sidelong looks but also large sums of money from the men she encounters Insinuating herself into Chicago's high society May lands a well-to-do fiancé until that is a Pinkerton Agency detective named Reed Doherty intervenes and summarily foils the engagement Unflappable May quickly rebounds elevating seduction and social climbing to an art form as she travels the world eventually marrying a wealthy Dutch Baron Unfortunately Reed Doherty is never far behind and continues to track May in a delicious cat and mouse game as the newly minted Baroness's misadventures take her from San Francisco to Shanghai to London and points in between The Pinkerton Agency really did dub May the Most Dangerous Woman branding her a crafty blackmailer and ruthless seductress To many though she was the most glamorous woman to grace high society Was the real May Dugas a cold-hearted swindler or simply a resourceful provider for her poor family As the narrative bounces back and forth between the trial taking place in 1917 and May's devious but undeniably entertaining path to the courtroom hoodwinking and waltzing her way through the gilded age and into the twentieth century we're left to ponder her guilt as we move closer to finding out what fate ultimately has in store for our irresistible adventuress

Destination City Robert Pigott, 2025-04-08 Leon Trotsky was living in The Bronx with his common law wife and two children when the Russian Revolution broke out President Woodrow Wilson and his successor Warren G Harding had little in common except both came to New York City to indulge in extramarital affairs Henry Fonda and Jimmy Stewart were roommates for two years in the 1930s sharing a Manhattan apartment dubbed Casa Gangrene Simone de Beauvoir smoked her first joint at the Plaza Hotel in 1947 While living in Brighton Beach Woody Guthrie wrote a song about his bigoted landlord Old Man Trump Donald's father The thirteen-year-old Lee Harvey Oswald was a menace to his Bronx neighbors once firing a BB gun at their windows Greta Garbo had a fear of dentists' offices and found a practitioner who would examine her at a bench on Central Park West Barack Obama spent his first night in Manhattan curled up in an alleyway on West 109th Street Telling these tales and many others *Destination City* presents the surprising stories of historical figures who are not usually associated with New York City but spent key parts of their lives there Vignettes recount incidents in the lives of hundreds of notable people writers artists actors scientists activists politicians revolutionaries and more Some were greeted with ticker tape parades others came to the city penniless Some fell in love with the city others despised it But all were marked in some way by their time in New York Robert Pigott's writing captures the fabric of a bygone city bringing to life the colorful world these figures inhabited Charming and wry this book is for all readers interested in an unconventional angle on New York City past and present

Learning to Tie a Bow Sarah Hampton, 2012-09-30 The events of 1939 change Julia's life Passions loyalties and misunderstandings divert her down unexpected paths as she moves from childish innocence to adulthood against a backdrop of momentous political and social change It is only in old age that she returns to her roots and

discovers her true self This is is a haunting tale of constancy against the odds in an unstable world e It is evident from her writing that Sarah Hampton has led a full and adventurous life and still does That she is in her eighties makes the publication of her first novel an even more impressive achievement and I applaud the fact that she is still pursuing her dreams and ambitions Sarah Hampton is living proof of the joys of old age writing and most importantly the research possibilities provided by a decent broadband Internet connection I hope others will be inspired to emulate her e Rory Stewart MP for Penrith and The Border *Dusted Horsemen* Wm. remarkable journey from choirboy on HMS Victory to the Royal Marines and then the Special Air Service Special Boat Service Ken saw action on the North Atlantic Arctic and Mediterranean convoys before volunteering for the SAS and being involved in some of its most celebrated battles of WW2 During the Villa Punta raid in Yugoslavia he was wounded and carried a bullet in his shoulder for the rest of his life Five weeks later he was part of a specially selected 18 man force in Operation

Fry during which the regiment's sole Victoria Cross was posthumously awarded to his officer Anders Lassen *Wings But No Angel* is not just a story about the SAS. It is about Ken's formative years that enabled him to become part of a legendary fighting force and the lasting impact WW2 had on him. It charts his tough transition from a special forces soldier to civilian life. Written by one of his ten children, this book is informative, entertaining, and at times darkly humorous as it highlights the personal story behind the action. *Stories on a String* Candace Slater, 2023-11-15. Handbook of Research on Impacts of International Business and Political Affairs on the Global Economy

Zakaria, Norhayati, 2016-01-19. The growth of global commerce depends on many different factors and strategies in order for multinational corporations to efficiently compete and thrive in the international marketplace. In addition to business strategies, corporations must also be aware of political affairs that may impact their global economic status. The *Handbook of Research on Impacts of International Business and Political Affairs on the Global Economy* features dual perspectives on the business and political viewpoints for nations striving to maintain their economic standing in the era of globalization. Providing insight into various economic factors impacting global businesses and international affairs, this publication is a critical reference source for students, policymakers, international diplomats, researchers, scholars, and practitioners interested in financial challenges in the era of globalization. *The Woman with the Map* Jan Casey, 2022-03-17. February 1941. The world is at war, and Joyce Cooper is doing her bit for the war effort. A proud member of the Civil Defence, it is her job to assist the people of Notting Hill when the bombs begin to fall. But as the Blitz takes hold of London, Joyce is called upon to plot the devastation that follows in its wake. Night after night, she must stand before her map and mark the trail of loss and suffering inflicted upon the homes, families, and businesses she knows so well. February 1974. Decades later, from her basement flat, Joyce watches the world go by above her head. This is her haven, the home she has created for herself, having had so much taken from her in the war. But now the council is tearing down her block of flats, and she's being forced to move. Could this chance to start over allow Joyce to let go of the past and step back into her life? An emotional and compelling historical fiction novel, perfect for fans of Fiona Valpy, Mandy Robotham, and Catherine Hokin. Readers love Jan Casey's Captivating heart-wrenching saga. I adamantly recommend. NetGalley 5 Review. A story of courage and hope. NetGalley 5 Review. Drew me in straight away, and I just wanted to keep on reading until I finished it. NetGalley 5 Review. Gut-wrenching and hopeful. This book is just beautiful. I stayed riveted the entire time and could not put it down. Goodreads 5 Review. Full of fervour, and the characters grow from beginning to end. I could not put the book down. NetGalley 5 Review. A book that you won't want to put down. I loved all the characters, and where this book took me. A lovely read. NetGalley 5 Review. Was desperate to see how it

panned out Very interesting reading it from both sides rather than just your own country Recommend it NetGalley 5 Review
