Basis of Preaching Biblical Message: Preach the Word Rev Dr koningthung Ngoru Moyon, 2024-11-07 Public Speaking is one of the most important task and challenging to the human beings It is imperative for all the committed Christians to lean learn and live with the Biblical truths As such the knowledge and application of Scripture is an utmost necessity to be grounded upon the word of God The necessity of Scripture means that the Bible is necessary for knowing the gospel for maintaining spiritual and moral life and for knowing God s will but is not necessary for knowing that God exists or for knowing something about God s character and moral law Basis of Preaching Biblical Message Preach the Word is for the glory of God the building up of the church and society and the spreading of the Gospel to the ends of the earth that is to all the creation Biblical preaching is centered around and takes its content from the inerrant Word of God True Biblical preaching aims at life change Biblical preaching also comes through the personality of the preacher Some communicators or preachers are encouragers some are confrontational Some are humour while others use sound logic and well reasoned content It is not good to fall into the trap of trying to mimic your favourite preacher Instead learn from them and develop your own style as a good communicator Rev Dr Koningthung Ngoru Moyon presents Biblical Preaching in his book Basis of Preaching Biblical Message Preach the Word is both an art and a science It is a science in the sense that there are rules and principles of communication that we are to follow It is an art in that each person brings his own unique personality and style to the preaching experience Preaching is truth through personality Both are necessary However the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit is focus in the book

Choosing to Preach Kenton C. Anderson, 2009-05-26 Today traditional forms of preaching are being scrutinized and challenged The biblical sermon is not immune to the pressure to evolve or even fall by the wayside leaving pastors and seminary students confused over how best to communicate to today's listeners In this forward looking textbook Kenton Anderson delivers a strong call to current and future ministers to indeed choose to preach biblical sermons despite the obstacles to doing so While preaching itself is non negotiable the exact form it takes can be much more flexible allowing people to hear from God as they hear his Word preached Rather than presenting one model or process for preparing a sermon Anderson explains several available options As you discern your message from the Bible will you begin with the text deductive or with the listener inductive Will you focus on the idea cognitive or the image affective The choices you make lead to five possible sermon structures DECLARATIVE make an argument PRAGMATIC solve a mystery NARRATIVE tell a story VISIONARY paint a picture INTEGRATIVE sing a song Each model is described in detail and related to well known contemporary preachers including John MacArthur Rick Warren Eugene Lowry and Rob Bell This book equips you with a variety of tools for your preaching tool kit A CD ROM with additional helpful resources is included as well as discussion questions and practical exercises

Preaching the Scriptures Joel K. T. Biwul, 2018-01-31 The African church needs preachers who preach the Scriptures to bring people to Christ and nurture them in the faith Yet many are failing at this task Some use their sermons to promote themselves rather than Christ while others do not know how to preach from the Scriptures In Preaching the Scriptures Dr Joel Biwul addresses these problems Using African stories and illustrations he clearly sets out the process of preparing and delivering a sermon that is rooted in the Scriptures He also provides sample sermons and outlines that will help preachers apply these principles in their own preaching preparation

Here are twelve proven ways to pack more content and effectiveness into every sermon covering all of the bases from general preparation to the end result of increasing each listener's faith. Recent seminary graduates and seasoned pastors alike will identify skills that need personal improvement and McDill encourages them to strengthen such areas at their own pace and in whatever order they feel is best. Every chapter in this new edition has been revised and updated. Also included are additional worksheet helps and sermon examples. Preaching for the million, sermons. [1st and 4th eds. of no. 1]. Henry Grattan Guinness, 1857. *The Power of Preaching* Gary Wilkerson, Joshu West, Voddie T. Baucham, Jr., Carter Conlon, Tim Dilella, R. T. Kendall, Claude Houde, John Bailey, 2025-02-04 In our churches today we have allowed ourselves to hold to a low view of God instead of seeing Him as Who He really is. And in today's world of seeking the most likes and followers many Christian pastors and leaders are finding themselves preaching what people want to hear instead of what God wants to say. In *The Power of Preaching* eight experienced men of God who have stayed true to the preaching of God's Word offer guidance on how to avoid appealing to the masses and instead encourage the reader to let God's Word speak for itself. Be encouraged and revitalized to be ministers of truth in a world caught up in lies.

Preach Better Sermons Shane Stone, Ph.D., 2018-12-18 The objective of this book is to address the following premises: Premise number one: The purpose and aim of Christian preaching/teaching is to produce spiritually faithful, biblically capable, and productively active disciples of Jesus Christ. Premise number two: Conventional preaching/teaching philosophies and methods are not achieving the desired effects in far too many cases. This is evidenced by the numbers of lukewarm churches and spiritually broad but not deep Christians. Premise number three: A paradigm shift in how sermons and Bible lessons should be prepared and communicated will help alleviate the problem and is long overdue. This book addresses the shortcomings of modern Christian preaching/envisions the strongest and deepest approaches to biblical teaching and learning and lays out specific steps to get churches/classrooms and pulpit ministries from where they are to where they need to be.
