region And every time he plucked it she fell further under his spell As the man s large hands touched the delicate cotton of her panties Annie could barely breathe Fighting for breath words tumbled out of her mouth I was told that sex wouldn t be required Sex isn t required he casually replied You may go if you d like Though allowing her to leave with his words his hands were another story His fingers with their gentle exploration demanded her to stay Before she knew it her pelvis rocked under his touch like a building swaying in the wind And as his fingers found her engorged nub Annie gave in Annie swallowed as her head rocked from side to side Again feeling her mind float away she lost herself in the undulations of his rubbing Her panties were becoming wet and she knew it She didn t know what she would unleash if she let herself go in his hands but unable to move she knew she had no choice but to find out Annie s teeth chattered as a powerful feeling worked its way into her loins As a rule she never touched herself and now possessed with lust she felt unprepared She wanted to scream but couldn t She wanted to fall to the ground but couldn t All she could do was quiver and shake as the pleasure that he gave her overwhelmed her thoughts And as if in a waking dream she was overcome by a tidal wave of emotions that painted images under her eyelids in shimmering shades of red and pink She had never felt so alive and when her loins pulsed every muscle in her body clamped and released in pleasure
