without British backup It is reasonable to assume therefore that both countries simply needed each other However what history books frequently neglect to recount are the existences of the individuals who with their hopes works and sometimes a certain degree of chance contributed to the invisible bridge linking the Italian region with the British Isles This book collects the stories of eight individuals and a special book in order to investigate UK Piedmont relationships from an unusual and privileged perspective *The English Catalogue of Books Published from January, 1835, to January, 1863*, 1864 *English Mechanic and Mirror of Science*, 1869 **Universal Dictionary of the English Language** Robert Hunter, Charles Morris, 1897 **Black Diamond** Zakes Mda, 2012-10-02 Kristin Uys is a tough Roodepoort magistrate who lives alone with her cat She is on a one woman crusade to wipe out prostitution in the town for reasons that have personal significance for her Although she is unable to convict the Visagie Brothers Stevo and Shortie on charges of running a brothel she manages to nail Stevo for contempt of court and gives him a summary six month sentence From Diepkloof Prison the outraged Stevo orchestrates his revenge against the magistrate aided and abetted by his rather inept brother Shortie and his erstwhile nanny Aunt Magda who believes mass action will force the powers that be to release Stevo Kristin receives menacing phone calls and her home is invaded and vandalised Even her cat is threatened The chief magistrate insists on assigning a bodyguard to protect her To Kristin s consternation security guard Don Mateza moves into her home and trails her everywhere Nor does this suit Don s long time girlfriend Tumi former model and successful businesswoman who is intent on turning Don into a Black Diamond sooner rather than later And Don soon finds that his new assignment has unexpected complications which Tumi simply does not understand In **Black Diamond** Zakes Mda tackles every conceivable South African stereotype skilfully and with the lightest touch turning them upside down and exposing their ironies often hilariously This is a clever quirky novel that captures the essence of contemporary life in Gauteng and will resonate with all South Africans
