The Bone House:

The Bone House Stephen Lawhead, 2012-05-14 Kit Livingstone met his great grandfather Cosimo in a rainy alley in London where he discovered the truth about alternate realities. Now he's on the run and on a quest trying to understand the impossible mission he inherited from Cosimo to restore a map that charts the hidden dimensions of the multiverse. Survival depends on staying one step ahead of the savage Burley Men. The key is the Skin Map but where it leads and what it means Kit has no idea. The pieces have been scattered throughout this universe and beyond. Mina from her outpost in seventeenth century Prague is quickly gaining both the experience and the means to succeed in the quest. Yet so are those with evil intent who from the shadows are manipulating great minds of history for their own malign purposes. Those who know how to use the ley lines have left their own world behind to travel across time and space down avenues of Egyptian sphinxes to an Etruscan tufa tomb into a Bohemian coffee shop and across a Stone Age landscape where universes collide. In this the second quest to unlock the mystery of The Bone House. The Bright Empires series from acclaimed author Stephen R Lawhead is a unique blend of epic treasure hunt, ancient history, alternate realities, cutting edge physics, philosophy and mystery. The result is a page turning adventure like no other.

Anglo-Saxon Dictionary Joseph Bosworth, 1882 *Bone House* Betsy Tobin, 2002-03-01 In this stunning debut Betsy Tobin
spins a classic tale of gothic suspense Immersing readers in Elizabethan England she masterfully evokes a heady place where
science and superstition walk hand in hand and sensuality and violence are masked by the merest veneer of gentility some
people are the center of their world and others are the spokes The center of one village was Dora the great bellied prostitute
whose lush curves gave solace to men even as her compassion and honesty drew the company of women So when Dora is
found dead in an icy ravine her loss impacts everyone So too does it torment a young chambermaid at the Great House
Determined to discover the truth she finds that Dora left behind many unanswered questions along with a huge slow witted
son a boy of eleven trapped in a man's body The deeper she digs the more the mystery of Dora's life is revealed until a
