All Swirling and Weaving Douglas Basler, 2025-09-30 Jesus invitation is simple enough

Come follow me Matthew 4 19 But both the conditions of our culture and the conditions of our hearts can make following him difficult We need help re tuning our hearts to the good news of Jesus and the often slow ways of God The habit of reading fiction can serve as one of our greatest allies A good book can open our own stories in new ways Reading slows us down It invites us to pay attention to the details of life And following Jesus only happens in the details We can only walk in faith hope and love within the unique circumstances of our lives Inspired by the wisdom and wonder of writers like Wendell Berry James McBride and Marilynne Robinson All Swirling and Weaving models how the reading life can help us see the ways God is at work in our own stories With humor vulnerability and a pastoral heart Douglas Basler weaves together the fruit of reading twelve contemporary novels with Biblical reflection and experiences from his own life and ministry Fiction has the power to renew our Christian imagination in ways other reading does not
