The California Ghost Directory:

The California Ghost Directory Aubrey Graves, 2014-12-08 From haunted parks to museums eerie cemeteries and missions stores ghostly hotels bars restaurants supernatural theaters and more this ghost directory covers over 350 haunted public sites within over 40 counties of the old golden state

The Big Book of California Ghost Stories Janice Oberding, 2021-09-01 Few states can rival California in terms of natural beauty and exciting history But nearly three centuries of violent crime sickness greed and murder have tarnished the Golden State and made it ripe for ghosts and hauntings From the Spanish priests who founded the first missions in their quest to bring Christianity to the Native people of the region to the ill fated Donner Party committing acts of cannibalism in order to survive This book explores the most famous ghost stories from California s past dating back to the 18th century with spine tingling details that will delight readers

Hoffmann's Catholic Directory, Almanac and Clergy List ,1905 *Cyndi's List* Cyndi Howells, 1999 REF Ths is a multi title review The titles include Cyndi s List 880 pg Instant Information on the Internet 117 pg and Instant Information on the Internet 86 pg Although Internet directories such as Howells s wildly popular site www.cyndislist.com offer well organized access to genealogy sites online many researchers still want to plan searches with a book in hand Now Howells Netting Your Ancestors has created a print version with some exceptions of her web site Including over 100 categories and over 40 000 links most with brief annotations this book has something for nearly any genealogy related topic that comes to mind Schaefer s Instant Information series offers pared down compilations of basic information search sites Her book on the United States categorizes web sites by state and includes vital records information sites prominent research libraries and societies indexes and databases and general information sites In the British Isles book Schaefer discusses British counties and expands her lists to include major sites for churches and the Celtic language as well as a place name index All three books provide easy access to useful genealogy sites While Howells strives for exhaustive coverage of genealogy links Schaefer offers very general site lists Though Howells s book comes with a solid price tag the purchase of each new and planned title in Schaefer s series would quickly rack up the same price or more Still for those who want only a brief focused guide Schaefer s books are an economical alternative Elaine M Kuhn Allen Cty P L Fort Wayne IN
