The Called Ones David Hou, 2014-12-20 This Book is on the Apostolic Ministry in the Church We will look into the Ministry of the Apostles As they are the Foundation and the Pillars of the Church it is vital that we know who is an apostle and what is an apostle There are chapters on the Marks and the Ministry of the Apostles and through it we can learn to recognize and mark these servants of God In this book there we talk about the Jerusalem Council and how the leadership handle the problems that pertains to the Gentile Christians We also look into the the lives of the Modern Apostles that are from the West and from the East while looking into the gifts of the Holy Spirit and the supernatural power of the Apostles All in all the Lord will restore the fullness of the Apostolic ministry to His Church in these End times for the purpose of bringing in the Global Harvest warring against Satan in the Sky to overthrow him and his cohorts from the heavenly realms once and for all and for the preparation of the Bride for the Coming Bridegroom *Apostles, Prophets and the Coming Moves of God* Bill Hamon, 1997 Author of the Prophets series Dr Bill Hamon brings the same anointed instruction in this new series on apostles Learn about the apostolic age and how apostles and prophets work together Find out God s end time plans for the Church The Truth Yulonda T Griffin, 2024-12-21 In The Truth take a trip through the sincere search for biblical truths that secure the Christian faith This compelling book dives deep into the core principles of Christianity providing a parallel view to manufactured religions and offering clarity and depth on foundational topics such as salvation grace and redemption Each chapter expands on insightful teachings and practical applications inviting readers to delve into scripture and discover The Truth of the transformative power of God s Word Written with a blend of scholarly rigor and heartfelt devotion The Truth illuminates the ageless wisdom of the Bible guiding believers to a deeper understanding of their faith and a closer relationship with God not religion Whether you are a seasoned Christian seeking to deepen your spiritual journey or someone exploring faith for the first time this book serves as a reliable companion in navigating the rich truths of Christianity And the deceptions of synthetic religion **The Ante-Nicene Fathers** Alexander Roberts, 2007-05-01 One of the first great events in Christian history was the Council of Nicaea in 325 AD convened to organize Christian sects and beliefs into a unified doctrine The great Christian clergymen who wrote before this famous event are referred to as the Ante Nicenes and the Apostolic Fathers and their writings are collected here in a ten volume set The Ante Nicenes lived so close to the time of Christ that their interpretations of the New Testament are considered more authentic than modern voices But they are also real and flawed men who are more like their fellow Christians than they are like the Apostles making their words echo in the ears of spiritual seekers In Volume I of the 10 volume collected works of the Ante Nicenes first published between 1885 and 1896 readers will find the writings of Clement of Rome the fourth pope who was supposedly martyred by being tied to an anchor and tossed overboard Mathetes an anonymous writer considered the first Christian apologist Polycarp a Christian bishop who was stabbed to death after he failed to burn at the stake Ignatius a student of John the Apostle who was Bishop of Antioch

Jesus, Disciple of the Kingdom Osvaldo D. Vena,2014-01-08 That Jesus started his career as a disciple of John the Baptist is an idea that has gained almost universal recognition in the scholarly world His coming from Galilee to be baptized by John in the river Jordan is the most compelling proof of Jesus subordination to John But quickly after John was executed Jesus started his own career not as a disciple anymore but as a teacher in his own right In this book Osvaldo Vena makes the claim that throughout his ministry Jesus remained a disciple not of John but of a higher power God and God's kingdom Thus Jesus called men and women to join him as co-disciples as he went about proclaiming the nearness of the kingdom through word and action In this work Vena contends that in the Gospel of Mark Jesus is presented as a prototype of true and faithful discipleship a model to be followed and imitated by ancient as well as contemporary believers This presentation amounts to an emerging Christology espoused by the early Markan community on the verge of destruction from outside forces specifically the Jewish Roman war as well as internal divisions resulting from struggles for power in the community
