What is the True Christianity ? Hendrick Park, 2012 Today there is a pervasive indifference to the question What is the Christianity This is a serious situation because there are numerous false or only partly false or only partly true and partly false versions of Christianity in the world This indifference is also an indication of one s indifference to the God A person cannot be indifferent to the God Who holds his future in His hands and has power to determine his ultimate destiny and about the true religion that God has revealed for mankind The author of this book believes that neither the Roman Catholic Church nor the current Protestant Churches are the true church that represents the True Christianity although the Protestant denominations are truer to the Christianity of the New Testament than the Catholic Church The renowned Catholic theologian Hans Kueng pointed out the deplorable problems of the catholic Church and called for the reform of the Church in his book *The Roman Catholic Church* 2001 The True religion of God must be preserved intact and this preservation is the greatest duty of the Christians and the church to God According to prophets of God Justice and Mercy and the pure preservation of the True religion of God are the two main concerns of God and God laments the gullibility and blind submission of people to wicked religious leaders The author of this book is a retired minister of the United Church of Canada and holds a Th D from the University of Toronto In 2008 he published *The Roman Catholic Church A Critical*
