and heart For all the trials and pains of daily living many people are taught to distance themselves from their hearts in order to avoid folly and failure The truth is that only in embracing the language of the heart can we truly know who we are and where we are going Focusing on the role of crystals in the journey to wholeheartedness Nicholas Pearson reveals how the heart as the literal and metaphorical center of one's being has the power to lead us to greater balance healing and happiness He explores the anatomy of the physical heart and its spiritual symbolism and shows how its four chambers are related to the four elements Offering hands on exercises and meditations with more than 60 gemstones and minerals each a specific heart healing stone the author explains how to build a better relationship with the heart as your spiritual center as well as how to fortify your heart with emotional strength reclaim your will and cultivate forgiveness He shows how your heart is the coordinator of your energy field and is itself a sensory organ and information processor working to enact healing on many levels He also looks at the heart chakra and how the higher heart chakra is evolving Providing stone supported lessons for applying a heart centered approach in daily life from expressing yourself to nurturing romantic relationships in a meaningful way the author shows how the journey to wholeness and wholeheartedness isn't always easy but it cannot be undertaken without first spending time to hear the soft gentle voice of your heart and embrace the transformational force of inner alchemy known as love

Jesus Is the Way, Truth, Life Michael Pietrzyk, 2020-08-19 If you cannot comfortably say with confidence that Jesus died for your sins and opens the door of salvation for you or that you deny Jesus then this book is for you So many Christians take Jesus for granted and so many people do not understand His torment and the suffering He endured for us We began a spiritual journey when we enter this world We have a natural body and a world full of responsibilities to challenge us on our journey We are influenced by many outside sources and personal interactions with our family members and friends Ultimately we make the most important decision of our life Do we believe in God and accept Jesus as our Savior or do we reject God and accept atheism When you analyze the facts of the life of Jesus his loving teachings his horrible suffering death and miraculous resurrection you come to understand He did it for you Jesus is the Way the Truth and the Life His teaching brings light into your life Jesus is the gateway to eternal happiness when we leave this world Atheism with its evil influence wants to drag you down and have you reject God Atheists are in total denial about God Jesus supernatural experiences something from nothing and the wisdom in the formation of this universe and mankind Atheists want you to believe you will simply rot in the ground and accept life with no future hope If you are an atheist don't laugh at this thought and concern As a Christian I care for you and your soul That is certainly more than what the atheistic thinking has in mind for you Atheism under the influence of Satan offers you nothing but the door way to eternal conscious separation from God This book is a direct challenge to the thoughts and beliefs of the atheist I wrote this book with the hope it just might stir the mind of a non believer Then believing the Holy Spirit will do the rest

Vande Kappelle, 2023-01-20 Whether religiously theists atheists agnostics or simply seekers each of us is on a journey of faith spiraling through stages seasons or phases of spirituality On this journey we discover that spirituality is more caught than taught and that faith enriched more by subtraction than by addition is more about unlearning than learning At the center of Jesus life and message stands the exhortation to receive and share divine love The two volumes of Heart to Heart excerpted from Dr Vande Kappelle s published writings examine the meaning and implications of the biblical Great Commandment to love God and others as oneself Whereas the first volume examines the spiritual journey inward this companion volume examines the journey outward Ultimately there is only one spiritual journey the journey Godward and there is only one commandment Divine love is the key to everything Unloved people misbehave fail to love or fail to change Loved people aren t concerned with rules regulations or beliefs Rather because they are loved they take proper care of themselves and in so doing care for nature and others as extensions of themselves Heart to Heart is written for those who affirm the value of lifelong spiritual growth realize the limits of logic and embrace the paradoxes in life If you are willing to commit less than ten minutes a day over a seven month period you will undertake a spiritual journey of epic proportions guaranteed to transform you morally and spiritually In addition you will come to embrace Christianity as the transformative movement envisioned by Jesus for humanity a way of life grounded in compassion justice service humility and love of others
