Kimmel,Jeffrey A. Hirsch,2009-08-13 Praise for The Magnet Method of Investing Rather than encouraging the scatter shot approach of broad diversification Jordan focuses on the rifle shot Magnet method of identifying a limited number of quality stocks to improve your chances of beating the market Sam Stovall Chief Investment Strategist Standard Poor s Equity Research Jordan Kimmel is one of the brightest market observers out there and he is certainly a rising star that will be an important person to follow marketwise for many years Michael Burke Coeditor Investors Intelligence Inc Jordan Kimmel s The Magnet Method of Investing is an amazing detailed and intuitive book I especially enjoyed Jordan s insights into diversification the inefficient market and identifying stocks that are in their sweet spot Jordan s writing style is also very straightforward and refreshing He succeeds in taking complicated subjects and explaining them in an insightful way This is simply an incredible book that is a must read for both beginning and serious investors Louis G Navellier Chairman and founder Navellier Associates Inc The Magnet Method of Investing examines investing from a different perspective than many investors often see offering a unique alternative to diversification Jordan Kimmel has analyzed the methods of the best investors through time and introduces his robust stock selection process David M Darst CFA Managing Director and Chief Investment Strategist Morgan Stanley Global Wealth Management Group We welcome Jordan s book as a valuable perspective on investing The Wall Street Transcript applauds money managers like Jordan who explain their philosophies clearly support them with research and back them up with performance data This is a great addition to any investing reading list Andrew Pickup Publisher and CEO The Wall

Street Transcript The Magnet Method of Investing takes on the important issue of diversification which has been oversold to Main Street This is yet another example of the need to go against conventional thinking if you want to achieve superior results Stan Weinstein Editor and Publisher Global Trend Alert *Mines and Methods*, 1907 **Seven Years to Seven Figures** Michael Masterson, 2012-06-19 The secrets to accumulating wealth and rapidly increasing your net worth When Michael Masterson gives advice I pay attention and you should too John Mauldin bestselling author of Eavesdropping on Millionaires In Seven Years to Seven Figures self made multimillionaire and renowned wealth coach Michael Masterson reveals the steps you can take to accumulate seven figure wealth within seven years or less Seven Years to Seven Figures will give you the tools to increase your income get the highest possible returns on investments create a second stream of income determine which of the four levels of wealth to aim for dramatically increase your net worth with real estate investing save wisely secure your financial future faster than you may have ever dreamed Handbook on Inequality in China Björn Gustafsson, Xiuna Yang, 2025-09-10 This comprehensive Handbook addresses a wide range of issues concerning inequality in contemporary China and its recent past It covers diverse forms of inequality faced by Chinese citizens from wage and income disparities to employment education the role of social insurance and public revenues **Social Security Law and Policy** Terry Carney, 2006 This book explores the legal meaning of the radical new laws which have transformed the social security system in the last decade It analyses legislation and case law and lays out the legal principles and concepts which underpin the sweeping reforms culminating in the welfare reform package announced in the 2005 Budget It also explores the policy foundations of these reforms and key administrative changes such as the creation of a privatised job network and of Centrelink as a payment agency This book also explores the tension between traditional protective functions of social security and the contemporary focus on activation reciprocity and capacity building and the extent to which social changes have altered the form of Australian welfare It reviews the history and transformation of the welfare state the ideas about the nature of poverty and need and the policy choices to be made Detailed case studies are made of the law and policy affecting key groups such as the unemployed people with illness or disability and sole parents as well as the administration and review rights of welfare recipients and the workings of income and means tests **A History of Economic Theory and Method** Robert B. Ekelund, Jr., Robert F. Hébert, 2013-08-30 Known for its clarity comprehensiveness and balance the latest edition of A History of Economic Theory and Method continues that tradition of excellence Ekelund and Hébert's survey provides historical and international contexts for how economic models have served social needs throughout the centuries beginning with the ancient Greeks through the present time The authors not only trace ideas that have persisted but skillfully demonstrate that past discredited ideas also have a way of spawning critical thinking and encouraging new directions in economic analysis Coverage that distinguishes the Sixth Edition from its predecessors includes a detailed analysis of economic solutions by John Stuart Mill and Edwin Chadwick to problems raised by the Industrial Revolution the role of

psychology and experiments in understanding demand and consumer behavior discussions of modern economic theory as it interrelates with other social sciences and a close look at the historical development of the critical role of entrepreneurship both in its productive and unproductive variants The authors creative approach gives readers a feel for the thought processes of the great minds in economics and underscores key ideas impacting contemporary thought and practice Well crafted discussions are further enriched by absorbing examples and figures Thorough suggested reading lists give options for more in depth explorations by interested readers
