My Long, Strange Journey Tom Oldoski, 2024-11-19 What is truth especially when it pertains to spirituality Aren't we all just living on faith while trying to navigate our soul journeys This book is one man's wrestling with the questions plaguing us all Who are we Why are we here Where is God in all of this And perhaps most essentially What is God and how should we relate to Him This is a book designed to spur thought and reflection It hopefully will spark loving conversations between friends in laws and outlaws No one has a monopoly on the truth we're all just seekers with whom God is relating individually If you like thought that colors a bit outside the lines then you might want to try this book on for size and travel a bit outside the box

A Horrible Experience of Unbearable Length Roger Ebert, 2022-05-24 More of the Pulitzer Prize winning film critic's most scathing reviews *A Horrible Experience of Unbearable Length* collects more than 200 of his reviews from 2006 to 2012 in which he gave movies two stars or fewer Known for his fair minded and well written film reviews Roger is at his razor sharp humorous best when skewering bad movies Consider this opener for the one star *Your Highness Your Highness* is a juvenile excrescence that feels like the work of 11 year old boys in love with dungeons dragons warrior women pot boobs and four letter words That this is the work of David Gordon Green beggars the imagination One of its heroes wears the penis of a minotaur on a string around his neck I hate it when that happens And finally the inspiration for the title of this book the one star *Transformers Revenge of the Fallen* *Transformers Revenge of the Fallen* is a horrible experience of unbearable length briefly punctuated by three or four amusing moments One of these involves a doglike robot humping the leg of the heroine If you want to save yourself the ticket price go into the kitchen cue up a male choir singing the music of hell and get a kid to start banging pots and pans together Then close your eyes and use your imagination Roger Ebert's *I Hated Hated Hated This Movie* and *Your Movie Sucks* which gathered some of his most scathing reviews were bestsellers This collection continues the tradition reviewing not only movies that were at the bottom of the barrel but also movies that he found underneath the barrel Movie buffs and humor lovers alike will relish this treasury of movies so bad that you may just want to see them for a good laugh

Wealth Cure brims with inspired wisdom for building a lasting bounty from the experiences loved ones and achievements that really matter *Understanding Atonement* Gary A. Fox, 2019-09-24 At some point in the Christian faith journey most people ask the question Why did Jesus die The most common answer is For my sins But what if Jesus died because of the sin of humanity not for individual sins It seems weirdly illogical for a God who is love 1 John 4 8 to demand a blood sacrifice to cover sin It is not what the Jewish sacrificial system supported either I hope that this book will help us understand that God loves us and will not forsake us Ever Forgiveness is about love not punishment **Heaven on Earth** Michael Battle, 2017-02-23 Much of the literature on the book of Revelation paints a frightening apocalyptic vision of the end times Michael Battle offers an alternative look at Revelation in this new work seeing it instead as a hopeful call to bring heaven on earth Battle explores the problematic imagery found in Revelation before showing how similar problems play out in our contemporary world Battle sees Revelation as a guide that shows us that we can live out God's call for heaven on earth by living in community with one another as exhibited through the writings of Martin Luther King Jr Desmond Tutu Rowan Williams and Ubuntu theology He writes I seek to imagine in my particular Christian context how a view of heaven need not lead to culture wars and further excuses for oppressing others Heaven as envisioned by John of Patmos has much greater purpose The Movie Watcher's Guide to Enlightenment David Hoffmeister, 2014-02-16 Accelerate your Awakening with the movies In a radical departure from traditional spiritual cinema David Hoffmeister embraces Hollywood movies as modern day parables for awakening thus turning the universal pastime of movie watching into a portal for a whole new perspective on Life Step back relax and laugh as you learn to see the Big Picture Allow David and this book to be your gentle guide to a present experience of Enlightenment The temptation of linear time is the belief that things would be better if they were different The problem with attempting to redo the past is that such attempts obscure the realization that the past is over and gone Healing is seeing that all the scripts of the world are the same and therefore cannot be changed this awareness is the forgiven world Excerpt from The Butterfly Effect review pg 28 Since the dawn of time myths stories and parables have been used by spiritual teachers to reveal spiritual truths Many popular movies speak not only to our desire for entertainment but are also great tools to flush up and look at human emotions for healing In The Movie Watcher's Guide to Enlightenment David Hoffmeister uses movies as contemporary parables making modern spirituality personal and relevant Darren Main Yoga and the Path of the Urban Mystic **Coming Full Circle: One Woman's Journey Through Spiritual Crisis** Carol L.
