Top Notch Teacher 2nd Edition:

Podcasting for Teachers Revised 2nd Edition Kathleen P. King, Mark Gura, 2008-12-01 This book introduces and explains this important new technology from the perspective of educators. It also provides new insights into the ways that technology can provide solutions to instructional needs that have not been sufficiently addressed until now. Not only does it provide concrete explanations, examples, models, and details about methods and resources that are not currently illustrated in other publications, but it also reveals a new rationale for the use of technology in education. This book helps readers apprehend critical issues essential to understanding and taking advantage of podcasting and related technologies as an educational resource. What podcasting is. How to do podcasting. How to plan podcasting based activities for students. How to create podcasts as teaching resources. How to use podcasting for professional development. Models developed specifically by the authors regarding Podcast development. Educators' learning curve in podcasting. Cost/benefit decision making regarding podcasting projects. K-12 school district directors of curriculum and instruction and directors of professional development as well as classroom teachers, principals, and instructional supervisors across the core curriculum and in the area of Instructional Technology and teacher educators and other college faculty will find this book a valuable resource. Readers may use the book as part of their own efforts to expand their teaching or staff development practice. It can also be an important resource for Education courses in content instruction and Instructional Technology and serve as a valuable reference for educators interested in educational applications of technology. What you will find in this revised and updated edition: New for this edition are valuable additional insights and updates related to our additional years of experience in podcasting and new media. Critical updated URLs, screenshots, software comparisons, data, some fresh new curricular examples, and included references to our new series *The Teachers Podcast* and *Transformation Education LIVE*. We have also upgraded statistical information, advancements from the podcasting world, references, and biographical information. In short, the book is better than ever in part because of suggestions from our many readers who are teachers, learners, and podcast listeners of course. The 16 chapters of the book are divided into the following major sections: PART I: A REVOLUTION IN OUR POCKETS; PART II: PODCASTING HOW TO BASICS; PART III: BECOMING A PODCASTING EDUCATOR. *Issues in Materials Development* Maryam Azarnoosh, Mitra Zeraatpishe, Akram Faravani, Hamid Reza Kargozari, 2016-03-22 *Issues in Materials Development* provides readers with theoretical foundations and practical aspects of designing materials for EFL/ESL contexts. It starts with discussing some basic and preliminary principles of materials design, followed by scrutinizing critical issues in materials development in an objective and systematic way. This ranges from considering learners' needs, adopting/adapting selection and gradation of materials to the specific focus of the book on developing various types of materials for the four language skills: pronunciation, ESP vocabulary, and computer-assisted language learning materials. Authenticity of materials to be designed and the inclusion of affective factors to develop motivating materials to engage language learners in addition to

features of materials design at a universal level are other areas to read about This book finally tries to open new horizons and possible futuristic approaches to improve today s ELT materials **Infants and Toddlers at Work** Ann

The Teachers' Lounge (Uncensored) Kelly Flynn, 2012-11-08 This book was chosen by The Delta Kappa Gamma Society International as one of its Top 5 Must Reads for 2013 DKG is organized in 18 countries around the world and works to promote professional and personal growth for women educators and excellence in education Teachers step to the front of the classroom every day and do their darnedest to capture their student's attention and keep it But so many things get in the way unruly kids disagreeable parents homes so broken it is beyond imagining bureaucracy and red tape the influence of technology and the media a culture that celebrates misguided values and most intrusively government regulations that purport to improve teaching and learning but in fact are destroying it The Teachers Lounge Uncensored gives you a peek inside that classroom Kelly Flynn takes readers by the hand and says Come inside my school walk a mile in my halls and then we'll talk about education reform With breathtaking clarity and a healthy dose of humor Kelly Flynn shares with readers what all teachers know that when you teach in a public school there are days that you laugh days that you cry and days that you laugh until you cry Each student is surprisingly delightfully wildly different which is precisely why one size fits all education does not work Check out further praise for the book at the Reclaim Reform blog <http://bit.ly/1pD654W> *Prepare, Succeed, Advance, Second Edition* Nijay K. Gupta, 2019-06-27 What if you had a guidebook that you could turn to at each stage of your academic journey to help you navigate through the process of getting a PhD in Biblical Studies and succeeding in the

academic world This book is precisely intended to fill that need From theory to practice you will find discussions and answers to the most pertinent and pressing questions that prospective and current doctoral students are faced with How do I choose a program How can I gain admission into an elite program How do I choose a research topic Alongside the big questions about the process there are also a host of smaller matters How do I publish an article What conferences are out there in my field Where do I start looking for a job How do I get teaching experience How do I write a syllabus This guidebook tackles all of these questions and many more in three parts Prepare focuses on getting into a PhD program Succeed guides you through the doctoral program especially the writing of the dissertation and Advance treats issues that relate to success in the academic world such as conference participation publishing employment and best practices in teaching PRAISE FOR THE FIRST EDITION Gupta has kindly provided me a book version of an academic mentor In a time when many professors are busy Gupta walks the extra mile and makes himself present not only in person to those near him but also in writing for those like me I can't thank him enough Natan B de Carvalho College Student Dr Gupta's book offered indispensable advice for me as I applied for PhD programs completed my thesis and applied for and secured tenure track jobs I am grateful for his service to the guild Madison N Pierce Assistant Professor in New Testament TEDS Having started seminary about a year after the first edition appeared I was able to use Gupta's abundance of clear headed advice to build a path to doctoral study I can see as a student in a first tier PhD program that this journey would not have been possible had I not been able to learn the many unspoken rules Gupta outlines in this invaluable book Jonathan Groce New Testament PhD student at Emory University This book should be required for anyone even slightly interested in biblical higher education I've enjoyed it so much that I've bought it three times having given it away to two students Ryan Lytton Director of Academic Services and Adjunct Professor at Life Pacific University Virginia This book has proven immensely helpful as I navigated the PhD application process Providing useful benchmarks and invaluable suggestions Gupta's sage advice prepared me for success Benjamin Castaneda PhD student at the University of St Andrews The world of academic biblical studies can be difficult to navigate especially for ethnic minorities This book has prepared me well by making an opaque process clear and straightforward I recommend it to anyone considering this path Daniel K Eng PhD candidate University of Cambridge I wanted to thank you for the invaluable guidance your book provided as I made decisions concerning my academic future I have just completed my M A in Classical Studies at Villanova and was accepted into graduate programs at both Edinburgh and Oxford Every step of the way your text provided clear and specific recommendations It was a true blessing Ken Tully Adjunct Faculty at Villanova Prepare Succeed Advance is a tremendously helpful reference tool As an academic advisor I will make this the first resource I recommend to colleagues who may not have the advantage of personal experience in a PhD program As a student I will regularly return to Gupta's work for counsel on the next stage of academic life Doctoral students should rejoice at having such a sure guide to academic success and commend Gupta for his contribution Samuel Emadi review in JETS 56 1 2013 139 141 140 141 This

guide is indispensable to anyone thinking about a PhD Abram K J Should I get a PhD Words on the Word blog July 9 2012 Nijay Gupta s Prepare Succeed Advance A Guidebook for Getting a PhD in Biblical Studies and Beyond is just that a guidebook It does not claim to provide a formula on how the entire process works At the same time it is more than that in the sense that Gupta s honesty attention to detail and measured optimism throughout the entire book give his voice a level of credibility and warmth that prospective students will find invaluable as they begin their own individual paths toward academia Michael Suh PhD Emory review in RBL October 2014 Prepare Succeed Advance has so many helpful points that my highlighter almost gave out If you have even the tiniest desire to pursue a PhD in Biblical Studies get a few pencils two highlighters and a copy of this book You won t be sorry Andrew Kelley PhD Edinburgh When I started to investigate what a PhD in Biblical Studies entailed I was lost What do schools look for What programs are better for what field So many questions and so little quality answers When I found Dr Gupta s book I found both a map and compass His book laid out the road ahead including avenues to avoid and boulevards to explore in more detail Following Dr Gupta s candid advice I have received offers to study at a couple of UK PhD programs I think I owe Dr Gupta some money Buy this book you will not be disappointed Joshua Morris *Restaurant Service Basics* Sondra J.
