The man on the right is partially covered by a white towel draped over his head and shoulders, looking towards the camera with a slight smile. The background shows a beach, the ocean, and a sunset or sunrise sky.

Sex on the Beach Manuel García, 2025-07-11 In Sex on the Beach Manuel Garc a strips desire down to its bare skin These are stories of real men rough handed quiet sometimes crude men who do not speak much but whose glances sweat and scent say everything There s no fantasy here just heat born from conflict ignited by contact and sealed in silence

This is masculine eroticism at its most raw where every look can be a challenge every touch a surrender The title story unfolds on a deserted beach in early June A graduate student escaping the pressure of his thesis goes for a morning run along the shoreline of Marina di Pisa The sand is cool the sea endless the world asleep Until he sees him a naked man bronzed and still seated on a driftwood log methodically rubbing oil into his skin slow deliberate shameless And then only into his cock What begins as a stolen glance becomes a magnet of need The runner circles back trying to be discreet heart hammering The man doesn't stop Doesn't hide He strokes his erection like an offering like a dare The tension grows heavier than the summer air Words would ruin it The body speaks first No names No promises Just two men in the stillness of the pines flesh against flesh desire stripped of artifice Some encounters don't need a future only a moment to burn *The Beach House* Jane Green,2008-06-17 From the author of *Falling* and *Sister Stardust* comes the New York Times bestseller about finding your place in the place you call home Ever since her life took an unexpected turn Nan Powell has enjoyed living alone on the sun drenched shores of Nantucket At sixty five she's just as likely to be found at Windermere her beach front home as she is skinny dipping in her neighbor's pool But when the money she thought would last forever starts to dwindle Nan decides to do something drastic to keep hold of her free spirited life open up Windermere to strangers After placing an ad for summer rentals touting water views direct access to the beach and a sexagenarian roommate Nan's once quiet house is soon full of noise laughter and the occasional bout of tears Between her eclectic new tenants and the sudden return of her son Nan gets a taste of what life is like when you have someone to care for besides yourself But just as she starts to happily settle in to her new existence the arrival of a visitor from her past threatens to turn everyone's lives upside down *The Boy on the Beach* Manuel García,2025-07-23 They don't talk much They don't need to Real men rough edged silent unapologetically masculine meet in the crackling heat of confrontation and the quiet pull of glances held a second too long The *Boy on the Beach* is a collection of erotic short stories where desire rises from the grit of reality bruised knuckles soaked shirts and the smell of salt or sweat in the air This is not polished fantasy This is raw skin to skin virility In the title story a golden boy walks the beach at dawn hiding secrets behind ice blue eyes and a body that turns heads without effort When he spots a dark figure stumbling into the surf jeans still clinging to his frame drunk or desperate he doesn't think He runs And when he pulls him out breathes life into him the moment twists from rescue to recognition from mouth to mouth skin to skin The boy Walter is fragile shivering silent His long black hair clings to his face his pride washed away with the tide Daniele wraps an arm around his naked shoulders pulls him close not to seduce but to shelter Jeans slide off easily There's nothing underneath The silence is heavier than any moan could be Something electric hangs in the space between breath and restraint These stories don't promise happy endings They offer something more dangerous truth Flesh that bruises Glances that expose And men who burn for men even when they don't have the words for it Open the book Let it touch a nerve And see what rises **69 bedtime stories for gay adults (and curious people)** Rodrigo Alban Hubach,2024-09-24 Dare to
