More Than a Clever Story: What Jesus Wants You to Know About Life From the Parables He Told Brian Onken,2024-05-07 Jesus parables They are widely known or at least often referenced But does that mean they are well understood Having slipped into the lingua franca of our day we could be missing some of what He was communicating If familiarity breeds contempt perhaps our sense that we know these stories insulates us from what Jesus was saying about life with God If Jesus intended His parables to be much more than helpful illustrations or memorable word pictures we might need to hear them in a fresh way We could be overlooking what is essential if we read His parables simply as clever stories Like a chef who seasons the meal in such a way that the distinctive flavors of each element is enhanced Brian invites the reader into an invigorating and fresh taste of what Jesus says in His parables Reading each parable attentive to Jesus own words and the context in which these stories are found you ll hear the voice of the Savior in renewed ways No longer will you think of His parables as clever stories but you ll find them to be life giving words from Jesus

Piety & Politics Reverend Barry W. Lynn, 2006-10-03 The Reverend Barry Lynn explains why the Religious Right has it all wrong In the wake of the 2004 presidential election the Religious Right insisted that George Bush had been handed a mandate for an ideology based social agenda including the passage of a marriage amendment to ban same sex unions diversion of tax money to religious groups through faith based initiatives the teaching of creationism in public schools and restrictions on abortion Led by an aggressive band of television preachers and extremist radio personalities the Religious Right set its sights on demolishing the wall of separation between church and state The Reverend Barry Lynn is a devout Christian but this propaganda effort disturbs him deeply He argues that politicians need to stop looking to the Bible to justify their actions and should consult another source instead the U S Constitution When the Founding Fathers of our great nation created the Constitution they had seen firsthand the dangers of an injudicious mix of religion and government They knew what it was like to live under the yoke of state imposed faith They drew up a model for the new nation that would allow absolute freedom of religion They knew that religion united with the raw power of government spawns tyranny Yet the Religious Right now seems distrustful of those principles inherent in the Constitution viewing the separation of church and state only as a dangerous anti Christian principle imposed upon our nation In reality the separation between church and state has been an important ally to religion with the state out of the picture hundreds of religions have grown and prospered Religion doesn't need the government's assistance any more than it is practical or appropriate for religious doctrine to be fostered in the government or taught in public schools As an explicitly religious figure speaking out against the Religious Right Lynn has incurred the wrath of such personalities as Pat Buchanan Jerry Falwell and Pat Robertson who once said Lynn was lower than a child molester Lynn has continuously taken on these radicals of the Religious Right calmly and rationally using their own statements and religious fervor to prove that when they attack the constitutionally mandated separation they're actually attacking freedom of religion In *Piety Politics* the Reverend Barry Lynn continues the fight educating Americans about what is at stake explaining why it is crucial that we maintain the separation of church and state and galvanizing us to defend the honor of our religious freedom
