The Billionaire Next Door:

The Billionaire Next Door Jessica Bird, 2007-08-01 Take no prisoners deal maker Sean O'Banion ate Wall Street financiers for lunch So why was he losing sleep over a fresh scrubbed nurse in old jeans and a too big T shirt Maybe it was those warm green eyes Or the way she blushed when he got personal There was no denying the serious chemistry between them But sooner or later Lizzie would learn his deep dark secrets First he had trust issues And second he'd rather not go into the whole family thing He didn't do relationships but amazingly Lizzie made him want one anyway *The Billionaire Next Door* JUDY ANGELO, 2016-04-18 NEVER PIT AN ALPHA MAN AGAINST A FEISTY FEMALE Soledad Felix doesn't take guff from anyone not even if that someone is the tall dark and gorgeous hunk who moves in next door Since the day he moves in he's a royal pain in the rear going out of his way to make himself a nuisance But then as fate would have it her big bad and bossy neighbor falls right into her hands And with him at her mercy it's time to make him pay Ransom Kent likes to mind his own business and lead a quiet life but tell that to his crazy neighbor next door From the first day they meet it's like she's got this thing against him a crazy vendetta of her own making And it doesn't help that she's both beautiful and bewitching with a whole lot of hot sauce on top It's an alluring combination that he just can't resist But when he gives in to the temptation and hands her his heart on a platter that's when he realizes she's nothing like the woman he thought she was The epic battle of fire and ice and only one can be the victor *The Billionaire Next Door* Roxy Jordan, 2019-11-20 Sarah bounced through the halls of her high school on her way to her locker to get her gym bag She was so excited for the homecoming game she could barely contain herself She and the rest of the cheerleading squad had been working for weeks now on their halftime routine She grabbed her gym bag out of her locker and headed to the locker room to change She walked in the locker room and found her girlfriends Excited about the game they laughed and gossiped about the boys at school as they got ready So what do you think about the Amanda Trey fiasco one of the girls Helen asked the group What I want to know is how Sarah plans on dealing with her Matt and Ryan fiasco said her best friend since the third grade Christine Clark Oh yuck I don't want to talk about that right now Sarah said Oh you mean you don't want to talk about you two most favorite people Christine teased her Ugh fine since you're making me Basically they are horrible always staring and gawking at me from the back of the science lab They are such freaks Matt is the worst and is always trying to find some excuse or reason to talk to me He's been doing it so much that even the other football players made some snide comment about him being my puppy dog He even asked me to homecoming with flowers Like I would even go with someone as nerdy as him It's terrible I can't stand him Sarah told the girls But enough of that It's game time Let's get out there and cheer girls and the rest of the squad followed her out onto the field They cheered on the team as the game progressed It came time for the halftime show and the girls took the center of the field and flawlessly performed their show The home team wound up winning the game and that night Sarah got to make out with her big crush Evan Geez those were the days she thought as she smiled to herself She was so much younger

and had so much more hope for her future back then Dreaming that she would someday make it big as a fashion designer She had wanted to go away to design school after her senior year of high school but wound up staying at the local community college so that she could stay close to her high school sweet heart Even and Sarah had continued their relations past that first night of making out and dated all the through high school and into college During their sophomore year of college he had asked her to marry him Young and in love and very naive she said yes Just knowing that he was perfect for her Even though so many signs throughout the years had told her that he was no good It started in high school The rumors that he was sleeping with other girls One time she had even caught him kissing her friend Helen That night had not ended well and she and Helen s friendship ended forever But Evan did as most men do and begged and pleaded and promised that he would never do anything like that again and she had stupidly believed him The truth was he did stuff like that all the time and continued abuse her trust in their relationship sleeping with almost whomever he could get his hands on behind her back Sarah was blind with love and enamored by his coolness and his good looks so she continued to play the fool unknowingly for years They finally got married after their senior year of college It was a simple and beautiful wedding with all of their friends and family by their side as they said I do Neither of them came from a family with much money so they took a little honeymoon to the hot springs which were near to their town By no means was it anything to write home about but she was happy with Evan and loved their little life together
