Billionaire's Masquerade Mia Caldwell, 2015-06-27 Dani meets a mysterious man at her friend's Masquerade ball. The attraction is overwhelming, but things are no longer simple when the masks come off. A relationship with her masked partner could cost them both everything, but will that stop them from giving in to the passion blazing between them? This title is loosely connected to Billionaire's Baby Surprise, but it isn't necessary to read that serial to enjoy Billionaire's Masquerade.

The Billionaire's Masquerade Laurie Gene, 2020-04-08 A new job opportunity. A vindictive ex. An unexpected encounter. After her father died, leaving her alone with a stepmother that was nothing short of wicked, Abby Wilshire picks up odd jobs so she can save up and move out on top of the cleaning job her stepmother runs. When she gets offered an executive assistant job to billionaire Nick Stafford, she jumps at the chance she just needs to make sure her stepmother doesn't find out. Her first project is organizing a masquerade for a charity. Nick throws each year. Considering she's never even been to one before, she has her work cut out for her. As the evening looms closer, her stepmother tells her that she won't be attending the masquerade because Abby needs to work. Abby can't risk telling her stepmother why she must show up without revealing she has a job outside the family business, so she devises a plan to sneak out and attend in secret.

She doesn't expect to kiss Nick that night. She doesn't expect his ex to show up and embarrass her. And she definitely doesn't expect everyone to find out who she really is. With the secrets piling up, Abby feels the pressure of keeping up the facade becomes too much and she starts to crack. If she doesn't come clean now and stand up for herself, she may lose the life she so desperately wants for herself forever.

Fans of modern day Cinderella retellings are staying up past midnight binge reading this sweet billionaire romance.

Masquerade: The Complete Series Valerie Francis, 2021-02-02

What would you do if you knew you wouldn't get caught? Unwind with this steamy love story. Told as a 12 part serial, each book is about the length of a glass of wine or a soak in the tub. Isla Foster and Colin Jackman are strangers desperate to escape the daily grind of life. They each accept an anonymous invitation to a masquerade ball, one of the most prestigious events in New York City. There they are given lavish costumes, false identities, and an opportunity to take part in a seductive game. If they accept using the aliases Grace and Marlowe, they'll meet each month for a year in a series of secret rendezvous, consequence free. No one will ever know where they go or what they do as long as they follow three simple rules: 1. they must never know the other's identity, 2. they must only meet at the prearranged times and places, 3. they must not fall in love. What could possibly go wrong? You'll be hooked from the opening scene.

A Selection of Reviews

Masquerade reads like a piece of chocolate after dinner. It goes down smoothly and leaves you craving more. Amazing fantasy getaway. Perfect rainy day read. Ms. Francis is a skillful storyteller. She quickly captured the attention of this fussy reader and held my interest through to the end. Hard to put down. Absolutely phenomenal. Each part is better written than the last. I enjoyed this book as another fun diversion from my busy life. It has excellent characterization and I was pulled into the story, intrigued to know what would happen next. Absolutely love this format of delivery for a book. Oh **Masquerade**, you have my attention now. I voluntarily reviewed this book. I really like this book. The characters were believable, the story had some mystery, and I liked where the series was going to go with the **Masquerade** themes. I especially liked how this story was as long as a glass of wine. I didn't test that, but it was as long as a short stint on the beach. Now I want to see what happens in the next few stories. This first instalment hooked me in every way, interesting opening, great detail, fully fleshed major characters, each with a problematical life situation, and minus my pet peeve, poor editing. This instalment is expertly written AND edited so there are no grammatical errors or typos to weaken or distract from the story. Kudos to Ms. Francis. I look forward to reading more. What a fun escape these first two books are. I just finished part 2 and am left hanging in suspense and anxiously awaiting part 3 to be delivered. This is a unique way to read for me, and I love it. Come on, part 3.
