The Billionaires Salvation Max The Billionaires Obsession Book:

The Billionaire's Salvation Jan S. Scott, 2013-09 Billionaire Max Hamilton thought he was finally starting to find contentment more than two years after losing his wife Mia in a tragic drowning accident. He'd been reunited with a sister he hadn't realized existed. Finally, he had family again, a reprieve from the pain and loneliness that had haunted him since his devastating loss. Yeah, he was as happy as a man could be considering he had lost the other half of his soul and most of his heart when fate had torn his wife away from him. Or so he believed until the day he rescued a mysterious woman in the park, a female who somehow had managed to reignite a part of him that he thought was long dead. Suddenly, Max's protective, dominant, possessive male instincts flare to life, leaving him at a loss as to how lightning could possibly strike twice in one lifetime. Is he truly being given another chance at real happiness, or would it be dangled in front of him only to be taken away once again? Find out by reading *The Billionaire's Salvation*, Book 3 in The New York Times Bestselling series *The Billionaire's Obsession*. This is a complete contemporary erotic romance novel with no cliffhangers.

The Billionaire's Game Jan S. Scott, 2014-01-26. His professional football career over due to a tragic accident, billionaire Kade Harrison takes on the task of solving a mystery for his brother-in-law and friend Max Hamilton. Without his former career to fill every minute of the day, Kade's looking for something to challenge him now that he's lost the career that had meant everything to him. Kade soon discovers that he wants Asha's total surrender to the desire and passion that vibrates intensely between the two of them, but he also wants her trust. The one thing Asha's history makes it difficult for her to give. Can Kade convince her that some things are worth risking it all? Caught between two worlds, Asha Paritala is homeless, broke, and damaged from a life of abuse and neglect. Born of an American mother and an Indian immigrant father, Asha was raised as an Indian woman by a foster family after the death of her natural parents when she was little more than a baby. She's spent her entire life under the control of others until finally breaking free two years earlier and she's determined to keep her freedom even if it means she has to struggle to survive. But when she meets Kade Harrison, her resolve is tested. After Kade helps her through a bad situation, she finds herself beginning to trust Kade as she's never trusted a man before. Kade is everything she always thought a man should be, but can she lose herself in him completely when she knows she's damaged and confused?
